INTRODUCTION

Find out in this book secret divine keys embedded in the living Word, which will help you connect with God's power, blessings, wisdom, and glory.

God works with keys, and in this book, you will discover how you can connect with the seed of God. These keys will sharpen your spiritual senses and open the door for you to access the throne room of God. Glory to God!

CHAPTER ONE

PRINCIPLE NUMBER ONE

God is a Spirit: and they that worship him must worship him in spirit and in truth.

John 4:24

One of the vital identifying marks of God is that He is a Spirit. If God created us in His image and after His likeness, then our real identities is spiritual beings. **(See Genesis 1:26-27)**. The question is, who is a Spirit. Get my books titled [“How to Walk and Live in the Spirit”](#) and [“The Book of Secret Wisdom”](#) for more profound revelation. Our spirit differs from the Holy Spirit. For example, Apostle Paul writes to the church in Rome.

The Spirit itself beareth witness with our spirit, that we are the children of God:

Romans 8:16

This means the Holy Spirit testifies that we are children of God with our spirit. One key to verifying this truth is the inner peace and joy surrounding our hearts. An unbeliever often receives inner peace and joy when he repents of his sin and accepts Christ Jesus as His Saviour and Lord of His life.

The Holy Spirit is the one who plants the seed of peace and joy within our hearts. The Holy Spirit plants these seeds in our hearts because He wants us to

experience the joy of the Lord. To connect to the Holy Spirit, we must understand His personality. We must know how we can relate to the Holy Spirit. Get my book titled [“How to Walk with the Holy Spirit”](#) for a more profound revelation.

In this chapter, I will share three divine keys that will help you connect with God. These keys work because I have tested them. When I checked my Christian life, I realised that one of the most vital keys to connecting with the Lord is spirit-filled worship and praises.

Yes, one key to connecting with the Holy Spirit is sincere worship and praise from our Hearts. Worship combines our spirit and soul. We need our emotions in times of worship and praise. We can stand and worship God. We can sit whiles we worship God. We can bow in the process of worship. We can fall to the ground when worshipping God.

The style of worship will depend on how the Holy Spirit directs you. Our heart is the focal point God looks at when we worship Him (***See 1 Samuel 16:7***). Worship from your heart, and you will experience the presence of God.

When we worship God from our heart, the Holy Spirit opens a portal for our spirit to access the throne room of God. At this stage, our soul disengages with the activities on earth if we are fully connected in the Spirit. Other times, our soul knows of the activities around our jurisdiction if our spirit is not fully connected to the Holy Spirit during the worship. When our spirit is fully

connected to the Holy Spirit, it helps us upload information from the throne room of God. It also perfects our fellowship with God.

By the grace of God, I know what I am writing to you. I am not writing a set of theories. I am writing from experience, and it is biblical. Any experience that does not have a reference to the scripture must be questioned. God does nothing outside His Word (***See 1 John 5:7-8***). His Word is our source of light (***See Psalm 119:105***). These are a few revelations the Holy Spirit wants me to release to you.

- When we worship God from our heart, our spirit receives a new level of anointing from the Holy Spirit.
- When we worship God from our heart, the Holy Spirit sharpens our spiritual senses.
- When we worship God from our heart, our spirit dominates the desires of the soul and the body.
- When we worship God from our heart, we can easily detect the Holy Spirit's voice.
- When we worship God from our heart, it makes us meek and submissive to the Holy Spirit.
- When we worship God from our hearts, our enemies find it difficult to attack us.

- When we worship God from our hearts, evil spirits vacate our environment.
- When we worship God from our heart, we receive a new level of a revelation within our hearts.
- When we worship God from our heart, the voice of our enemies sounds unreasonable to us.
- When we worship from our heart, our soul breaks the barriers of the flesh. This will enable us to differentiate the leading of the Holy Spirit, our spirit, our soul, and the flesh.
- When we worship God from our heart, the angels of holiness (***Virtues***) come to fellowship with us in the spiritual realm.
- When we worship God from our heart, it prepares us for the Master's use.
- When we worship God from our heart, the things of the world (***temporal things***) become useless in our life.
- When we worship from our heart, our desires for the things of God increase.
- When we worship God from our hearts, the seed of love builds in our spirit.
- When we praise God from our hearts, we experience the power of

God.

- When we praise God from our heart, our spirit becomes stronger in the Word (*faith*). It builds our measure of faith. Get my book titled [**“How to Unlock the Gate of Faith”**](#) for a more profound revelation.
- When we praise God from our heart, our spirit opposes demonic spirits in the spiritual realm.
- When we praise God from our hearts, the warrior angels (**Archangels**) surround us with a flaming sword in the spiritual realm.
- When we praise God from our heart, it activates the anointing of the Holy Spirit in our lives.
- When we praise God from our hearts, curses break in our lives.
- When we praise God from our heart, heaven takes dominions within our jurisdiction.
- When we praise God from our hearts, God opens the gate of blessings, favour, and abundance in our lives.
- When we praise God from our hearts, the expectations of our enemies become useless.
- When we praise God from our heart, the Holy Spirit increases the

power of God within our spirit.

- When we praise God from our hearts, we take on the nature of God.
- When we praise God from our heart, the plans of our enemies' backfires.
- When we praise God from our heart, the Spirit of Faith dominates the jurisdiction.

Jesus Christ further states in the book of John, chapter four, verses twenty-four, that we must worship God in truth. The truth is the Word. This means that aside from worship and praises, we must walk in the light of the Word because the Word is the key to the spiritual realm. Get my book titled [**"How to Grow in the Realms of the Spirit"**](#) and [**"Spiritual Laws"**](#) for a more profound revelation.

Divine Key: Love God with all your heart, strength, and possession, no matter your weakness.

CHAPTER TWO

PRINCIPLE NUMBER TWO

But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

Isaiah 40:31

Connecting with God requires patience and perseverance. Sometimes, we demand a quick answer from God, but He prolongs the days. God knows the end from the beginning. His plans for our life are to bring us peace, joy, and an expected end. God will never give us something we cannot handle. He knows when we are mature to handle certain things in our life. He waits for the best season to release our answer because He is a righteous and loving Father.

We cannot deceive God because He knows the deep things in our hearts. He understands us much more than we understand ourselves. Connecting with God is not a day journey. We must learn how to fast and pray because we have to solely depend on God for direction on certain days. The pressure of the world, unbelievers, and loved ones may distance us from God if we don't fast and pray.

Waiting on the Lord may be painful because our bodies will fight us. The desire for food, fun and other carnal things may disconnect us from connecting with God in the season of fasting and prayers. Get my book titled [“How to Walk and](#)

[Live in the Spirit](#)” for a more profound revelation.

Christ Jesus knew the importance of fasting. The Spirit of God led him into the wilderness to fast and pray (***See Luke 4:1-2***). The fasting and the prayers of Christ Jesus strengthened Him spiritually to enable Him to connect with the plans of God. Christ Jesus waited on the Lord because it was a requirement of the Holy Spirit. As Christians, it is our responsibility to fast and pray because Christ Jesus fasted and prayed to enable Him to connect with His Heavenly Father. These are a few revelations embedded in Spirit-led fasting.

- Spirit-led fasting is one of the greatest weapons in the spiritual realm because it helps our spirit stay active in the spiritual realm.
- Spirit-led fasting makes us sensitive to the leadership of the Holy Spirit.
- Spirit-led fasting makes our souls submit to the leadership of the Holy Spirit.
- Spirit-led fasting delivers us from the desires of the flesh.
- Spirit-led fasting elevates us from the realm of carnality to the realm of spirituality.
- Spirit-led fasting makes it easy for our spirit to connect with the plans and instructions of the Holy Spirit.
- Spirit-led fasting makes our spirit respond to the Word of God.

- Spirit-led fasting renews our spiritual strength.
- Spirit-led fasting empowers us to face the enemy without fear.
- Spirit-led fasting upgrades our faith in the Lord.
- Spirit-led fasting makes us sensitive to the deception of the enemy.
- Spirit-led fasting connects us to the spiritual realm.
- Spirit-led fasting makes us become stronger Christians.
- Spirit-led fasting enlarges our scope of vision in the spiritual realm.
- Spirit-led fasting sharpens our spiritual gifts.
- Spirit-led fasting prepares the ground for the fruit of the Spirit to grow in our spirit
- Spirit-led fasting makes us receive mercy and favour from God.
- Spirit-led fasting is the doorway to the prophetic realm.
- Spirit-led fasting makes our spiritual armour stronger.
- Spirit-led fasting makes God respond quickly to our prayers when we add faith to them.

Divine Key: Be led by the Holy Spirit before you fast!

CHAPTER THREE

PRINCIPLE NUMBER THREE

And it came to pass in those days, that he went out into a mountain to pray, and
CONTINUED ALL NIGHT IN PRAYER TO GOD.

Luke 6:12

Jesus Christ showed us the way to the Heavenly Father. He created a path for us to follow because He is our Lord and Saviour. Jesus Christ is not only our Saviour, but He is also our Lord. Most Christians do not have reverential fear for God because they only see Christ Jesus as their Saviour. Get my book titled [***“The Mysteries of Fear”***](#) for a more profound revelation. Most Christians reject the Lordship of Christ Jesus over their lives because of ignorance. Get my books titled;

The Word of God states that Christ Jesus went out into the mountain and **“CONTINUED ALL NIGHT”** in prayer to His Heavenly Father. Who are we to disengage with God if Jesus Christ fellowshiped with His Heavenly Father all night? Get my books titled [***“The Seven Secret Keys of***](#)

[Prayer](#) and [“The Power of Tongues”](#) for more profound revelation.

Most Christians treat the Holy Spirit as a rag. They only approach the Holy Spirit when they are in need. When I was in University, most students only prayed during the examination season. They only remembered God during the examination. This is how some Christians are. They only turn to God when they face challenges. They only know God as a solution to their problems.

God is not a rag; He is a person who deserves reverence and attention. Christ Jesus spent the whole night with His Heavenly Father because He loved to fellowship. Jesus Christ did not leave us alone. He gave us the Holy Spirit to fellowship with. We must understand that the Holy Spirit is the third person of the Godhead. Connect with my teachings on my YouTube channel, [“The Mysteries of the Trinity.”](#) I have dug deeper into the Trinity.

Get my books [“How to Walk with the Holy Spirit”](#) and [“How to Walk and Live with the Spirit”](#) for more profound revelation.

There are some Christians I lead in prayer meetings. Most of these Christians do not come on time. These Christians do not understand the personality of the Holy Spirit because of ignorance. Most Christians attend church service late because of ignorance. I labour in prayers and book writing in the middle of the night because it is my responsibility.

Some people value their work more than the work of God. Most parents can sacrifice their life for their children’s jobs and well-being and ignore the things

of God. Most parents will never allow their children to serve the Lord because of ignorance. Some parents prefer their children to work in dangerous cities and communities than let them become Christian missionaries.

So much hypocrisy in the Church. If the Muslims and other religious bodies will sacrifice their lives for their god, why should we take a risk before serving God? Today, the northern part of Africa is full of Muslims because Christians do not want to dedicate their time to God. The Muslims are planting mosques in remote areas of our countries, and we are happy in the cities.

We need dedicated intercessors, funds, and anointed evangelists to help expand the Church in these areas. We need faith to serve God because it takes faith to connect with God. Get my books titled [*“A Soul is a Soul”*](#) and [*“How to Unlock the Gates of Faith”*](#) for a more profound revelation.

Most Christians meet their employers before the appointed time of the interview because they fear they will lose the job. It looks as if we value the things of the world more than the things of God. I believe this is one of the reasons God delays answering Christians' prayers because they don't have time for Him.

- Most Christians only attend prayer meetings when they are in trouble.
- Most Christians only remember God when they need a job.
- Most Christians only attend church service when they are full of themselves.

- Most Christians only use their leisure time to help organize church activities.

I remember speaking to a lady at Koforidua Technical University on soul winning. I planned to move into secondary, technical, vocational, and tertiary schools to win souls for Jesus Christ.

When I met this young lady and told her to join my evangelism team, she said she would join me on Sundays because that is when she would be free.

We must understand that God is not a pair of shoes; we can wear them when we need shoes. God will work with us if we open our hearts. The Word of God states that where two or more have met in our Lord Jesus's name, He is there in their presence.

Matthew 18:20 For where two or three are gathered together in my name, there am I in the midst of them.

We must respect the Holy Spirit because He respects time. We must reverence the Holy Spirit because He is a divine Person. We must fellowship with the Holy Spirit through prayers, spiritual songs, and Word meditation because Christ Jesus showed us the way.

Divine Key: See the Holy Spirit as a divine Person who carries a Presence.

CHAPTER FOUR

PRINCIPLE NUMBER FOUR

For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin.

Hebrews 4:15

Most often, we doubt whether God cares about us. People in remote parts of the world face injustice. Poverty is killing the poor, war and disaster are ruling in some parts of the world. The rich oppress the poor, leaders abuse the law and embezzle the wealth of the nations.

- Sometimes you ask yourself, does God cares?
- Is God aware of the injustice?
- Is God alive?
- Does God understand our feelings?

Many questions come into our minds when we see and hear of injustice. In Africa, most leaders use the life savings of the nation to secure their families. Even in some churches, these behaviour abounds. I exempt no one from this injustice because we live in an imperfect world. Man, in his natural state, is wicked.

A man or woman who is not born again (***someone who has not repented and***

accepted Christ Jesus as his Saviour and Lord of his life) is desperately wicked in his thoughts and actions. This is one of the reasons we must put all our trust in Christ Jesus because He is the only one to help us succeed in life.

Apostle Paul writes to a sect of Jews that Jesus Christ is our High Priest. Under the old covenant, they allowed no one to enter the Holy of Holies chamber except the High Priest because it is a place reserved for the Spirit of God. By the grace of God, Jesus Christ has destroyed the veil that limits us from accessing the throne room of God.

If you are in Christ Jesus, you have the power and the authority to access the throne room of God because He lives in you. His blood qualifies us to access the throne room of God. We can fellowship with the Holy Spirit anytime and anywhere because He lives in our hearts.

Don't limit yourself because the Holy Spirit is always ready to fellowship with you. All you need is to take a faith step. Apostle Paul further states that Christ Jesus understands our weakness and feelings because He became a man and lived among us.

Jesus Christ understands us because they tempted him in every way as the unbelievers tempt us.

- Women tempted Jesus Christ when He walked on earth as a man,
- The religious men and women accused Him falsely when He walked

on earth as a man.

- The unbelievers mocked and hailed insults at Him when He walked on earth as a man.
- His neighbours rejected Him the time He needed them most when He walked on earth as a man.
- He felt hunger and pain when He walked on earth as a man.
- His disciples fled from Him when His enemies captured Him.
- The rich men and women of his time enticed him with temporal wealth when He walked on earth as a man
- The devil tempted Him in several ways when He walked on earth as a man.

Whatever we are passing through in life, Jesus Christ passed through them. He knows our deepest thought. He understands the injustice done to us. He knows the wickedness of humankind because they spat on Him, and accused Him as the devil incarnate, money dealer, murderer, deceiver, and a liar. Christ Jesus said;

Luke 6:26 Woe unto you, when all men shall speak well of you! for so did their fathers to the false prophets.

This means people will accuse us falsely. They will persecute us when we walk on the path of light (***See 2 Timothy 3:12***). Carnal, religious, and soulless Christians will accuse us because they can't understand us. Some will hail insult

at us because they insulted Christ Jesus. Some will fight us out of ignorance.

Christ Jesus warns us to be careful when all men (including **women**) speak well of us. We must be ready for insults and accusations because they did it to our Lord and Master Christ Jesus.

In the Apostles' time, the unbelievers hanged some Christians on the cross; they stoned some to death; they used wild animals to kill and destroy some Christians. Some were burnt alive because of their faith in Christ Jesus.

The Romans and the religious people crucified Christ Jesus on the cross. Jesus Christ went through all these pains when He walked on earth as a man. So, never think Jesus (**God**) does not feel what you are feeling. The holy angels may not understand you, but God understands you because He became a man (**Jesus Christ**) and dwelt among us (**See John 1:1-14**).

All you have to do is act in faith because you cannot walk with God without that virtue (**See Hebrews 11:6**). Get my book titled [“How to Unlock the Gate of Faith”](#) for more profound revelation. Pray more in the Spirit because it helps you stay stronger in the Spirit (**See Romans 8:26-27**). CHAPTER FIVE

PRINCIPLE NUMBER FIVE

When they heard these things, they were cut to the heart, and they gnashed on him with their teeth.

But he, being full of the Holy Ghost, looked up stedfastly into heaven, and saw the glory of God, and Jesus standing on the right hand of God

And said, Behold, I see the heavens opened, and the Son of man standing on the right hand of God.

Acts 7:54-56

Stephen is one of Christ Jesus' disciples the unbelievers stoned to death. There are many controversies about his death. Some scholars of the Holy Bible believe it was not his time for him to die because he was too young. Others believe he did not apply wisdom in his preaching. Many commentary Bible teachers have concluded about his death.

Some scholars of the Holy Bible analyze the death of Stephen from the historical background, while others conclude with logical and philosophical approaches. I will conclude with the direction of the Holy Spirit because He is the best Person to interpret the scriptures.

First, the scripture declares Stephen as a man of faith. This means He was a man of the Word. No man can quote a whole chapter of the scriptures from his heart

if he is not full of the Holy Spirit. Stephen could quote the writings of Moses because He was one with the Holy Spirit.

The question we must ask ourselves is, how did Stephen connect with the trinity in heaven. The scripture makes us understand that Stephen “***looked up stedfastly into heaven, and saw the glory of God, and Jesus standing on the right hand of God,***” Stephen, in his natural state, could see the glory of God. The heavens opened, and he saw the glory of God. I remember I was about to take my shower when the Holy Spirit opened my spiritual eyes. I saw Heaven open. I saw Christ Jesus standing on the right-hand side of God.

The angels were surrounding the trinity of God. I could see the host of Heaven watching me directly from Heaven as if they were watching a movie! I asked the Holy Spirit why He showed me this open vision. The Holy Spirit said unto me; we are watching you because we chose you to bring a change to the world. He continued, some souls are waiting for you to unlock the door of freedom and salvation. The lesson of Stephen continues.

Stephen further states that “***Behold, I see the HEAVENS opened, and the Son of man standing on the right hand of God.***” Check the Word “**Heavens.**” You can see that the scripture's translator (King James of England) spells it in the plural form.

This means we have different Heavens. Stephen could see the abode of God. He saw Christ Jesus standing on the right-hand side of God. The right-hand side of

God signifies the power of God. Remember, the unbelievers were stoning Stephen to death. Stephen did not feel the pain because his spirit was connected to the Holy Spirit.

Stephen could connect with God because He was full of faith. This means it takes a man full of faith to connect with God. A man of faith is a man of the Word. It takes faith and the presence of the Holy Spirit within our spirit and soul to connect with God.

Every Christian has the Holy Spirit living in him. But there is another level to receive more of the Holy Spirit. To be full of the Holy Spirit, we must be baptized in the Holy Spirit because it takes the baptism of the Holy Spirit and the presence of the Holy Spirit to enable us to experience the full presence of God.

The question we must ask ourselves is, why did Christ Jesus command His disciples to wait for the baptism of the Holy Spirit? Christ Jesus knew the importance of the Holy Ghost baptism; that is why He commanded all His disciples to wait for the day of Pentecost to enable them to connect with God.

- One of the signs, that we are baptized in the Holy Spirit is the evidence of tongues speaking.
- The second sign of the Holy Ghost baptism is the ability to operate in the gift of the Holy Spirit.
- The third sign of the Holy Ghost baptism is the zeal we possess to

work for God without complaining.

- The fourth sign of the Holy Ghost baptism is the ability to face the devil and enemies without fear.
- The fifth sign of the Holy Ghost baptism is the anointing of the Holy Spirit, which flows on us when we are declaring the Word.
- The sixth sign of the Holy Ghost baptism is the intensity of our prayers when interceding.
- The seventh sign of the Holy Ghost baptism is the revelation we download to the church when we connect with them. Let's read from the Word.

And it came to pass, that, while Apollos was at Corinth, Paul having passed through the upper coasts came to Ephesus: and finding certain disciples,

He said unto them, Have ye received the Holy Ghost since ye believed? And they said unto him; We have not so much as heard whether there be any Holy Ghost.

And he said unto them, Unto what then were ye baptized? And they said, Unto John's baptism.

Then said Paul, John verily baptized with the baptism of repentance, saying unto the people, that they should believe on him which should come after him, that is, on Christ Jesus.

When they heard this, they were baptized in the name of the Lord Jesus.

And when Paul had laid his hands upon them, the Holy Ghost came on them; and they spake with tongues, and prophesied.

Acts 19:1-6

Why did Paul lay hands on the Christians in Corinth? Paul knew that without the baptism of the Holy Ghost, these Christians would find it challenging to connect with God. One of the best keys to help you connect with God is to pray more in the Spirit because it sharpens your spirit to hear from God (***Meditate on 1 Corinthians 14:4***).

Now when the apostles which were at Jerusalem heard that Samaria had received the word of God, they sent unto them Peter and John:

Who, when they were come down, prayed for them, that they might receive the Holy Ghost:

(For as yet he was fallen upon none of them: only they were baptized in the name of the Lord Jesus.)

Then laid they their hands on them, and they received the Holy Ghost.

Acts 8:14-17

Apostle Peter and John did not delay to lay hands on the new converts in Samaria because they knew that they would find it difficult to connect with God without the baptism of the Holy Spirit. We are not wiser than Apostle Peter and

John. If they prayed for the Christians to receive the Holy Ghost baptism, who are we to reject the Holy Ghost baptism?

Being born again is not enough; you must press on to receive the baptism of the Holy Spirit because it is a necessity under the grace dispensation. When you are baptized in the Holy Spirit, it is easy to connect with God because praying in tongues enables the Holy Spirit to pray for you according to the will of God (***See Romans 8:26-27***).

Apostle Paul concludes in 1 Corinthians chapter fourteen, verses eighteen.

I thank my God, I speak with tongues more than ye all:

1 Corinthians 14:18

Get my book titled [***“The Power of Tongues”***](#) for a more profound revelation on tongues-speaking because many Christians are confused about tongues-speaking. My book will show you the types of tongues, when to pray in tongues, and many mysteries about tongues-speaking

Remember the lessons from Stephen. He could connect with the trinity because He was full of the Word and the Holy Spirit.

Divine Key: Be baptized in the Holy Spirit.

CHAPTER SIX

PRINCIPLE NUMBER SIX

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

But his delight is in the law of the LORD; and in his law doth he meditate day and night.

And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

Psalm 1:1-3

In this chapter, I will share some divine keys that will help you connect with God.

These keys will help you connect with the blessings of God. There is no way you see a seed germinating in a poor environment. No matter the greatness of the seed, it requires fertile soil, water, and good care to enable the seed to germinate successfully. Get my book titled [“*Spiritual Laws*”](#) for a more profound revelation. The Psalmist makes us understand that if we want to be successful with our Christian walk, we must not walk in the counsel of the wicked.

So, the first key to helping you connect with God is to reject the counsels of those who do not have the Spirit of God living in them. Most of the advice we

receive from the internet is not inspired by God's Spirit. This does not mean that all ungodly people cannot give good advice. Most of the ungodly people hardly give godly advice. God has given us the Spirit of discernment to help us detect the deception in every piece of advice we receive.

- Some ungodly counsels (for ***example, fashion***) may come through influential people who have fame and wealth.
- Some ungodly counsels may come through demons inspired music.
- Some ungodly counsels may come through entertainment such as demons inspired computer games, seductive, and demon inspired movies.
- Some ungodly counsels may come through demons inspired books.
- Some ungodly counsels may come through the wolves in sheep's clothing.

Many false ministers of “God” out there on the internet, the media, and in the churches, deceive innocent souls. It is up to you to study the Word of God for yourself and compare their teachings with the scriptures (***See Acts 17:11, Matthew 7:15-21, Mark 13:22***).

- One key to helping you detect false ministers of God is to check their dedicated followers.
- False ministers of God reject Christ Jesus as the Lord. (***They don't***

believe that Christ Jesus became a man and lived among humankind).

- They don't preach about the judgment of God.
- Their preaching and teachings do not positively impact the spirit and soul of man.
- Their sermons only challenge you to fight for temporal things.
- False ministers of God do not preach about repentance.
- False ministers of God do not follow the teachings of Christ Jesus.
- False ministers of God misinterpret the Word of God to suit their lust and greediness.
- They only preach from books that the Holy Spirit does not inspire.

False ministers of God fall under the ungodly because they know they are not from God, yet they pretend to be from God. If you are under a false minister of God, it will be difficult for you to connect with God. One of the best keys to help you detect a true minister of God is to check their dedicated followers.

- Does the minister of God preach and teach from the Word of God? ***(If yes, the person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).***
- Does the minister of God follow the sermons he teaches? ***(If yes, the***

person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).

- Does the minister of God accept the Word (**Holy Bible**) as the inspired writings of God? *(If yes, the person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).*
- Does the minister of God follow the path of Christ Jesus? *(If yes, the person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).*
- Do the followers of the minister of God follow the path of Christ Jesus? *(If yes, the person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).*
- Does the minister of God preach a balanced gospel? *(preaches heaven, hell, grace, favour, repentance, salvation, and other biblical doctrines). (If yes, the person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).*
- Do you have a sense of inner peace when you are near the minister of God? *(If yes, the person is called and chosen by God, if not, pray and ask the Holy Spirit for direction).*
- Does the minister of God believe in the doctrine of the Godhead? *(If yes, the person is called and chosen by God, if not, pray and ask the*

Holy Spirit for direction).

- Does the minister of God direct you to Christ Jesus or himself ***(If the minister of God draws you to only himself, you must be careful, if the minister of God leads you to Christ Jesus and teaches you to imitate Christ Jesus, they are true and reliable, and he is sent from God, called and chosen by the God).***

The next key to helping you connect with God is to distance yourself from unrepentant and hardened sinners. Most of these people can quench the fire of the Holy Spirit in you because they oppose the leadership of the Holy Spirit (***See Acts 7:51***). Get my book titled [***“How to Walk and Live in the Spirit”***](#) for more profound revelation. Most of the time, these sinners are possessed by evil spirits. The evil spirits living in them can attack you if you are not strong in the Lord. They can lure you into fornication and other deadly sins that can make you lose focus in your Christian life.

Before you connect with these people, make sure you are strong in the Lord. Make sure the Spirit of God leads you because it is dangerous to stay close with them if you are not full of the Holy Spirit and the Word. Their mockery and actions can make you backslide. When you backslide, it will be challenging for you to connect with God.

The third key to helping you connect with God is to avoid sitting in the company of scornful people. Scornful people make fun of God’s Word. For example, they

will say to you, how can Virgin Mary give birth to Jesus without sexual intercourse? If you are not rooted in scriptures, they will destroy your faith. The birth of Jesus was a supernatural one. Mary did not have any sexual intercourse with anyone before she gave birth to Christ Jesus.

The Holy Spirit breathed the seed (**Word**) into the womb of Mary, and the seed became Christ Jesus (**See Luke 1:26-35**). Sceptics, Atheists, Philosophers, free thinkers, and other religious bodies make fun of our faith in Christ Jesus. Avoid sitting amid them for a long time if you cannot preach the gospel to them. They will suggest ungodly logical reasoning facts to make you deny the Christian faith. Pray before you start a conversation with them because they can make you disconnect from God.

The last key I want to share with you is the living Word. I have shared this key with you in the previous chapters. However, this time I will dig deeper and give you more profound revelation about the Word because the Word is a great key that can help you connect with God. Remember, the Word can never lie. Our only problem is the heart and our tongue. God's Word will forever stand no matter the opposition it faces.

- Nobody can destroy the Word (**Holy Bible**) because it holds the pillar of the entire world.
- Experience in life can never conquer the Word of God.
- The wisest person in this world can never conquer the Word of God

with his wisdom and knowledge.

- The oldest person in this world can never subdue the wisdom of God's Word.
- The wealthiest person in this world can never destroy the Word of God.
- The strongest nation in this world can never conquer the Word of God.
- The most advanced countries, with their technology and discoveries, can never conquer the Word of God.
- Nothing inside and outside this world can conquer the Word of God because every visible or invisible substance came out from the Word, and the Word is Christ Jesus (***See Colossians 1:16-17***).

The Word (***Christ Jesus***) has given us a part of Himself in a written form to handle, follow, and declare to enable us to connect with the plans of God for our lives. This is one reason we must exalt the Word above every other counsel.

- No wisdom is above the Word of God.
- The Word contains the highest form of wisdom humankind can ever have.
- The Word contains the divine counsels of God.

- The Word directs us in our journey of life.
- The Word can solve every problem we face in life if we search through it.
- The Word is the final reference point of God and celestial beings.
- The invisible world obeys the commands of the Word when we declare and confess it.
- Demonic spirits submit to the authority of God's Word.
- The Word regenerates and supplies life to our inner man and makes our spirit complete in God.
- The Word explains the greatest question we cannot answer with our intellectual mind.
- The Word answers every question critical thinkers, philosophers, and other religious organizations ask.
- The Word is above every book in this world.
- The Word is above every book outside this world.
- The Word is the constitution of God's Kingdom.
- The Word must be the pillar of every country's constitution because it's supreme in every aspect of our lives.

Divine Key: The true light springs forth from the Word.

CHAPTER SEVEN

PRINCIPLE NUMBER SEVEN

Blessed are the pure in heart: for they shall see God.

Matthew 5:8

Connecting with God requires our heart's genuineness. God looks at the motives behind our actions (***See Genesis 22:12-13***). He searches our hearts because sometimes our actions may be wrong, but our hearts may be right with God. Men and women will judge from their outward appearance, but God checks the motives behind every action we take (***See Mark 2:3-5***).

Christ Jesus makes us understand that only those who are pure in the heart can see the Lord. Seeing the Lord requires pureness in our hearts (***mind, thoughts, intellect, emotions, and willpower***). Our hearts must conform to God's will. Our reasoning must be one with God's reasoning. Our thoughts must be free from any bad influence because evil motives and influence distance us from connecting with God. We can see God in various ways.

- We can see God with our spiritual eyes.
- We can see God with our hearts.
- We can see God in our dreams.
- We can see God through visions.

- We can see God through trance.
- We can see God in the written Word.
- We can see God physically.
- We can see God through miracles.
- We can see God in the character of a godly person.
- We can see God in our season of worship and praises.
- We can see God in our season of prayers.
- We can see God in different seasons of life (*circumstances*).

Connecting with God requires sanctification, righteousness, and holiness.

Sanctification is a process we pass through as we feed on the Word. The more we feed on the Word, the higher our soul transforms. Our soul reasons like God when we feed on the Word. The Word makes our soul connect with the thoughts of God. Apostle Paul declares in the book of Romans, chapter twelve, verses number two, that we must renew our minds with the Word.

And be not conformed to this world: but BE YE TRANSFORMED BY THE RENEWING OF YOUR MIND, that ye may prove what is that good, and acceptable, and perfect, will of God.

Romans 12:2

When the Word enters our soul, it breaks the wicked thoughts (*influenced by*

our environment, neighbours, media, and enemies) in our heart and sanctifies us for the Master's use. When our soul receives the Word, we find it easy to connect with God. In the book of John, Apostle John states that we should consecrate our soul (***thoughts, will, emotions, and intellect***) with the Word because the Word has the inner power to transform our soul.

Sanctify them through thy truth: thy word is truth.

John 17:17

Righteousness is at different levels. Get my message on my Youtube channel titled [***"Types of Righteousness"***](#) for more revelation. When a sinner repents and accepts Christ Jesus as his Saviour and Lord of his life, God imputes the righteousness of Christ Jesus on the person (***See 2 Corinthians 5:21***). From that point, the person must move to the next level of righteousness by following the light of the Word, as Matthew describes in the scriptures.

But seek ye first the kingdom of God, AND HIS RIGHTEOUSNESS; and all these things shall be added unto you.

Matthew 6:33

Every organization has rules and regulations they follow. For example, to work in some banking halls, you must acquire a legal certificate from a recognized institution before they employ you. Their dressing code may be a suit and tie. Some hospitals require doctors and nurses to wear white cloth in their hospitals

because it is a requirement.

In Ghana, we obey the 1992 constitution because it is our law. The constitution is set as a criterion for every citizen living in Ghana to follow. Failure to comply with the law may lead to punishment. The same principle applies to the Kingdom of God. Our constitution is the Word (***Holy Bible***). We follow the Word as a light (***See Psalm 119:105***). The Word is another higher level of God's righteousness apart from the blood of Christ Jesus. We follow the Word because the Word directs and connects us to God.

We must seek after the kingdom's righteousness by walking in the light of the Word. Christians who disregard the Word and live in sin are ignorant. We must follow the light of the Word because we live in a dark and corrupt environment (***Meditate on Genesis 1:2***). Failure to follow the light of the Word disconnects us from God.

To connect with God, we must set ourselves apart for Christ Jesus. We must embrace Holiness because Apostle Paul writes in the book of Hebrews chapter twelve, verses fourteen, that “***Without holiness, no man shall see the Lord.***”

Follow peace with all men, and holiness, WITHOUT WHICH NO MAN SHALL SEE THE LORD:

Hebrews 12:14

This is not my own words. God is speaking to us through the writings of Apostle

Paul that we should live in the peace of God with humankind. Paul further states that, without holiness, no man, woman, boy, girl, pastor, prophet, evangelist, apostle, and president shall see the Lord. God is impartial in all His judgement. He wants us to live in Holiness.

Get the messages of Bishop Williams F. Kumuyi because his ministry emphasizes greatly Holiness. Every ministry has at least one doctrine they emphasize. For example, the ministry of Bishop Dag Heward Mills emphasizes greatly on Evangelism. The ministry of Archbishop Duncan Williams greatly emphasizes prayer and spiritual warfare. The ministry of Bishop David Oyedepo greatly emphasizes Faith. The ministry of Pastor Mensah Otabil also emphasizes Holiness.

All ministries of God point us to Christ Jesus, but each has one unique message they emphasize. Our responsibility is to feed on the Word because ignorance of God's Word makes us a victim of the enemy.

Holiness simply means getting closer to Christ Jesus. The closer we get to Christ Jesus, the higher we drop the things that do not glorify God. Holiness begins from the heart. Holiness deals with the invisible sins in our hearts. For example, pride, jealousy, hatred, unforgiveness, lust, unholy anger, and the sins we cannot see with our eyes. From then, it deals with visible sins. We are not perfect; that is why we must get close to the Holy Spirit. We need more of the Holy Spirit to connect with God because our strength can fail us.

Divine Key: Ask the Lord to purify your heart.

CHAPTER EIGHT

PRINCIPLE NUMBER EIGHT

Beware that thou forget not the LORD thy God, in not keeping his commandments, and his judgments, and his statutes, which I command thee this day:

Lest when thou hast eaten and art full, and hast built goodly houses, and dwelt therein;

And when thy herds and thy flocks multiply, and thy silver and thy gold is multiplied, and all that thou hast is multiplied;

Then thine heart be lifted up, and thou forget the LORD thy God, which brought thee forth out of the land of Egypt, from the house of bondage;

Who led thee through that great and terrible wilderness, wherein were fiery serpents, and scorpions, and drought, where there was no water; who brought thee forth water out of the rock of flint;

Who fed thee in the wilderness with manna, which thy fathers knew not, THAT HE MIGHT HUMBLE THEE, AND THAT HE MIGHT PROVE THEE, TO DO THEE GOOD AT THY LATTER END;

Deuteronomy 8:11-16

Connecting with God is a process. God cannot make mistakes because He always wants the best. Our Adamic nature makes us think God makes mistakes.

God prepares us for the future because He knows when we can handle His assignment.

Why did God allow the Israelites to pass through the great wilderness? They went through hunger, thirst, and pain. Some were killed on the journey. Others rebelled and followed demigods. Was God happy to allow the Israelites to suffer in the wilderness?

God, in His wisdom, was helping the Israelites to know His nature. God revealed His acts to the Israelites because they only demanded His miracle. God revealed His ways to Moses because he loved to fellowship and know more about Him. We must understand that God is not wicked. He positions us to know more about Him.

He prepares us, so we will not fail Him. God allowed the Israelites to pass through hunger and thirst because of their pride. God wanted to humble the Israelites. We must understand that God resists the proud, but He gives more grace to the humble (**See James 4:6**). He allows us to pass through some pains because, without some experience, we will never know the true value of His love and purpose.

Without passing through the laid down process of God, we cannot connect with Him. There are times we must use our faith to connect with God when we don't understand Him. God allowed the Israelites to pass through some pains because He wanted them to see His power. God allowed Pharaoh's heart to be

hardened because He wanted to show forth His power.

Is God wicked to allow us to pass through pain? The answer is a big NO. God allows pain because we allow sin to dominate us. Sin produces pain, and the only way to overcome pain and connect with God is to break the power of sin. God sent Jesus to set us free from sin (***See John 3:16-17***). If you are Christ Jesus, you have power over sin.

God loves us, and He wants us to experience joy. However, our Adamic nature limits us from experiencing His full presence and love.

- Our old (***Adamic***) nature makes us think God is unrighteous.
- Our fallen nature makes us think God is unloving.
- Our sinful nature makes us think God does not care.

It is like a newborn baby who did not learn how to crawl before walking. Such a baby will not value the importance of crawling. Such babies will despise other babies who crawl before they walk. Another example is a boy born into a wealthy family. Such a boy will not understand the pains of poor people because he has never experienced poverty.

God will not allow someone who has not passed through the process to become a leader of a group of people having a challenge the leader has not passed through. God will always allow us to pass through His channel. He makes us pay the price because He cannot allow us to mishandle His children. God may not

connect with us until we have reached a certain level with Him.

For example, failure to repent and accept Christ Jesus as your Saviour and Lord of your life after you hear the gospel can make you lose heaven. It is a requirement in the records of Heaven that without the blood of Christ Jesus, you cannot receive salvation, so God allows humankind to repent and accept Christ Jesus as their Saviour and Lord of their life to enable them to receive the Holy Ghost baptism.

God may reveal Himself to someone out of love and mercy, but He has some laid down system we must pass through before He connects with us. As He did to the Israelites. He allowed them to pass through the wilderness because their heart was not right with God. They had some pride in them. The only way God could connect with them was to allow them to pass through a series of challenges and miracles. God allowed them to pass through some pain because He wanted to break down their pride. Most people change when they pass through suffering. Only unsound people become hardened and remain unchanged when they face challenges.

God tested the Israelites to see what was in their heart because He cannot violate our will. God will not test us to do evil because He is a righteous God (***See James 1:13***). Some people may argue about Abraham's trial (***See Genesis chapter twenty-two in the Holy Bible***). God knew that killing was a sin, yet He tested Abraham to offer his son as a sacrifice. If you judge the case of Abraham

literally, you may misunderstand God. You may call God a murderer because He commanded Abraham to kill Isaac.

The revelation behind Abraham's test is to draw our attention to God's love. God was using the test of Abraham to show us He would sacrifice His Son (**Jesus**) as a sin offering to the world. God wanted humankind to experience the pain he went through by sacrificing His Son (**Jesus**) as a sin offering to the world.

God did not allow Abraham to sacrifice his son when he passed the test. God used this test to see what was in Abraham's heart (**See Genesis 22:12**). He provided a ram for the sacrifice. The ways of God may sound foolish to us sometimes, but to the spiritual-minded person, He understands the plans of God. We may not understand the plans of God for our lives, but God knows how to coordinate our lives when we put all our faith in Him. We may pass through hardships, pains, and injustice. God knows the plans He has for us.

He is preparing us to connect with Him. He may allow us to pass through some process because He wants to prepare us for the future. Loved ones may reject and misunderstand the plans of God for our lives, but God knows what He is doing. Don't give up on God because He will not allow you to be tempted above your strength (**See 1 Corinthians 10:13**). His plan are to bring us to a successful end (**See Jeremiah 29:11**).

Be willing to conform to God's plan than to make Him conform to your plans. ***"In all thy ways acknowledge him, and he shall direct thy***

paths.” (Proverbs 3:6).

Talk to God from your heart because He can hear you without you opening your mouth ***(See Ephesians 3:20)***. He can connect with your heart. He understands your pains and difficulty. It is just a season, so don't give up!

The painful season will not last forever because He loves and cherishes you above all His creation. God desires to fellowship with you. Open your heart to God because He loves you unconditionally ***(See Romans 5:8)***. All you need is to open your heart and embrace the Holy Spirit into your heart. Allow the Holy Spirit to take the lead in every aspect of your life, and you will always connect with God. Hallelujah!

Divine Key: God is always righteous in all His ways.

CHAPTER NINE

PRINCIPLE NUMBER NINE

In the beginning was the Word, and the Word was with God, and the Word was God.

The same was in the beginning with God.

All things were made by him; and without him was not any thing made that was made.

In him was life; and the life was the light of men. John 1:5 And the LIGHT SHINETH IN DARKNESS; AND THE DARKNESS COMPREHENDED IT NOT.

John 1:1-4

Connecting with God requires courage, power, and authority. There are many resistances in this world. It is our responsibility as Christians to detect every barrier that prevents us from connecting with God. You must understand this principle. Either you belong to the Kingdom of God (***light***) or the kingdom of Satan (***darkness***).

The Kingdom of darkness will fight you if you belong to the Kingdom of light. God mandates us as Christians to fight this invisible war. Jesus Christ has won the battle for us in the spiritual realm. It is our responsibility as Christians to

exercise divine authority using His name in spiritual warfare. Failure to exercise this spiritual authority gives Satan and his minions the upper hand to manipulate you.

The battle started in Heaven. Lucifer (***God changed his name to Satan after his rebellion***) and his minions rebelled against God in the beginning. Lucifer wanted to take the position of God (***See Ezekiel 28:11-19***). Lucifer might have a reason for his rebellion because nothing happens until something is triggered.

The Celestial beings were not perfectly created in the image and likeness of God. However, Adam and Eve were perfectly created in the image and likeness of God. God, in His wisdom, commanded the celestial beings to submit to Adam because He delegated His authority to Adam to manage some of His affairs (***See Genesis 1:26-28***).

When Lucifer heard that God had made Adam the ruler of the earth, he became jealous. Lucifer allowed his beauty and position in heaven to control him. Lucifer did not understand why he should serve Adam and Eve. Lucifer rebelled because he was not willing to obey the plans of God.

In his (***Lucifer***) pride to take the position of God, Archangel Michael and his angels fought and drove Lucifer out of Heaven. When God saw that Satan and his minions had been driven from Heaven to earth, God commanded us to be vigilant (***See Revelation 12:7-12***).

From that point, Satan and his minions became an archenemy to God and His creation. Satan has not totally been stripped of his power because God has set a time for him to be judged. The devil and his minions work tirelessly to prevent us from connecting with God. They oppose the plans of God for our lives.

To dominate this earth, we must exercise the divine power and authority God has invested in us by using the name of Christ Jesus. There are uncountable divine weapons we can use against the enemy. Satan will use your ignorance to block you from accessing God if you don't exercise divine authority.

The enemy can use the element (***earth, water, air, and fire***) of God, the media, human beings (***carnal and religious Christians***), and unbelievers to fight you. Some people will make you angry, sad, confused, and depressed. Some will intentionally frustrate you to make you lose focus in life. It is your responsibility as a Christian to discern the enemy's devices and break them using the recommended spiritual weapon.

Get this book by Prophet Daniel K. Olukoya, [***“101 Weapons of Spiritual Warfare.”***](#) This book contains deadly spiritual missiles and atomic bombs that break every enemy's stronghold. You can also get my book titled [***“The Prophetic Sword”***](#) for more explosive divine missiles and bombs to break the stronghold and wickedness of the enemy.

Apostle John declares in verse five of John chapter one that “***the LIGHT***

SHINETH IN DARKNESS; AND THE DARKNESS COMPREHENDED IT

NOT.” This means it takes greater light to quench heavy darkness. The light in the context of this scripture is Christ Jesus. No power can subdue the power of our Lord and Master Jesus Christ.

The enemy will always resist our godly plans. He will use his best weapons to disconnect us from God. Sometimes the enemy uses your ignorance (***fear, words of people, money, lack of God's Word, and temporal things***) to fight you.

Ignorance is a great asset in the kingdom of darkness and a great liability in the kingdom of light.

To connect with God, the light in you must be brighter than the darkness surrounding you. The greater the light, the lower the darkness becomes. The more Word you have in you, the greater your light shines in the spiritual realm. Greater darkness (***opposition***) demands greater light (***anointing, power, and presence of the Holy Spirit and the Word of God***).

If you allow darkness (***sorrow, confusion, fear, sin, anger, unforgiveness, jealousy, and pride***) to dominate you, your connection with God will stagnate and remain in a state of jeopardy. The enemy will always project arrows of discontentment, insecurity, inferiority, and other invisible deadly imaginations into your heart. When these arrows hit you, your soul disconnects from the thoughts of God. When the arrows of the enemy hit your spirit, it disconnects your spirit from the sweet influence of the Holy Spirit. From then, the devil

imprisons you in the chains of the flesh (*total carnality, see Galatians 5:19-21*). Get my book titled ["How to Walk and Live in the Spirit"](#) for a more profound revelation

CHAPTER TEN

PRINCIPLE NUMBER TEN

Judge not, that ye be not judged.

For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye?

Or how wilt thou say to thy brother, Let me pull out the mote out of thine eye; and, behold, a beam is in thine own eye?

Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye.

Matthew 7:1-5

One of the most annoying attitudes some Christians portray in the church is hypocrisy. Jealousy and wickedness are infiltrating the church, yet they call themselves Christians. The most dangerous people you can find in the Church are the wolves in the sheep's clothing. They pretend to be Christians, but wolves and serpent spirits are inside them.

This is one of the reasons most unbelievers don't want to become Christians. Instead of a Christian supporting his brother in the Lord, you see the same person fighting his brother.

- How do you expect an unbeliever to become a Christian when you are fighting your brother in the Lord?
- How do you expect the unbeliever to become a Christian when you are fighting your sister in the Lord?
- How do you expect the unbeliever to become a Christian when there is no love in the church and community?
- How do you expect the unbeliever to become a Christian when there is a conflict in the church?
- How do you expect the unbeliever to become a Christian when there is partiality in the Church?
- How do you expect the unbeliever to become a Christian when we don't see the nature of Christ in you?
- How do you expect the unbeliever to become a Christian when you don't practice what you preach?
- How do you expect the unbeliever to become a Christian when you don't follow your principles?
- How do you expect the unbeliever to become a Christian when you join sinners in their wickedness?
- How do you expect the unbeliever to become a Christian when you are totally carnal?

- How do you expect the unbeliever to become a Christian when you are living in sin?

I believe Christians are the most hypocrites of all religions. Some may argue that Christianity is not a religion but a way of life. That is a half-truth. We must see your Christianity from the outward appearance. The unbelievers in Antioch gave the name Christians to the followers of Christ because they saw the nature of Christ Jesus in them (***See Acts 11:19-26***).

Some professed Christians say God looks at the heart, not the body. It is true that God looks at the heart. God is also interested in outward appearance (***See 1 Timothy 2:9***). We can see what is inside you by your actions, words, and close friends. Why should you fight your brother or sister in the Lord if you share the same faith?

So much hypocrisy in the body of Christ! You will see some Christian leaders opposing the gifted Christians in the Church because of insecurity. I believe you should “fight” (***if only you can***) the Holy Spirit because the gifted Christians have nothing to do with you. The Holy Spirit is the one who gave His gift to the Christians to help edify the Church, so why are you jealous of Christians who are advancing more than you.

Some of us have to sacrifice our beds for days because God has an assignment for us. I labour deep in the night, praying and writing my books. I have many things to do because some souls need our help. God has given us divine wisdom

and gift, and these gifts need hard work. Whiles, you are sleeping, we will be praying, meditating on the Word, and fellowshiping with the Holy Spirit.

Why should you judge your brother in the Lord? You have no idea of his blessings. You don't have the right to destroy what you did not build because you don't know the person's labour and suffering. Whiles, you are enjoying your sleep, someone is working hard to make the future bright.

What right do you have to condemn someone's work? You sit there and keep destroying God's children; the judgement of God is about to strike you if you don't repent and make restitution **(See Acts 9:1-4)**.

The people who accuse others are the ones involved in the crime. Jesus says, ***"Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye."*** Most often, I discern in the spirit that people are monitoring me because of my hard work and the grace of God upon my life.

Whiles, you are busy figuring out other people's progress, they will be busy embarking on their divine assignment. It is a waste of time to be jealous of people because you own nothing in this world. You came with an empty hand, so will you live with an empty hand.

Child of God, be wise as the serpent. Pray more in the spirit because, without prayer and the Word, you will fall into the traps of the enemy **(See Matthew**

26:41). Most often,

- People who accuse others as thieves are thieves.
- People who accuse others of occult are the occults.
- People who accuse others as money dealers are the ones who need money the most.
- People who discredit others are the most insecure.
- Evil spirits manipulate people who condemn others.

If the Holy Spirit is living in you, why do you condemn the acts of the Spirit-filled Christians? The Word of God is not a theory; they are practical. They work for those who walk with a good heart and follow the light. Sit down with your insecurity (***inferiority complex***), and keep condemning others. God is about to rain his anger on you. Repent as quickly as you can because your time is short. God wants to save you; that is why He allowed me to write to you.

CHAPTER ELEVEN

PRINCIPLE NUMBER ELEVEN

Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil.

And when he had fasted forty days and forty nights, he was afterward an hungred.

And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread.

But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.

Matthew 4:1

The Spirit of God led Christ Jesus into a solitary place to be tempted by the devil. The Word of God states that after Jesus finished with His fasting and prayers, He desired food. We must understand that the Spirit led Jesus Christ; He did nothing without the influence of the Holy Spirit. This means that we must follow the instructions of the Holy Spirit.

Any Christian who does something without the permission of the Holy Spirit falls into great danger. Sometimes people assume that because someone faces challenges, the person has sinned. The Spirit of God led Jesus Christ into a lonely place so that Satan could tempt Him. God knows how to deliver us when

we face temptation. He knows our spiritual strength, and He will never allow us to be tempted above our spiritual and emotional strength when we are under His influence.

We may go through some challenges because God wants to train us for the future. Demons did not tempt Jesus Christ. It was the devil who tempted Jesus Christ. The master tempter faced Jesus Christ this time. He did not allow any demon, but he tempted Jesus Christ. The devil can analyze our spiritual strength. He knows the best demons to use in spiritual warfare.

If you are strong enough, he comes to tempt you. Jesus Christ felt hunger after fasting. This means hunger is part of fasting. Most often, I feel hungry when I'm fasting. We need the grace of God to help us in the fasting season because the devil can use our neighbours to break our fasting. The devil used a powerful strategy to deal with Jesus Christ. I will show you how the devil operates and give you some keys to overcome his strategy.

The devil said to Jesus Christ, ***“If thou be the Son of God, command that these stones be made bread.”*** There is nothing wrong with turning a stone into bread, but the devil knew what he was doing. The revelation behind this temptation is, that the devil wants us to focus on temporal things. He wants us to forget the things of God and focus on the perishable things.

Most Christians are trapped in this prison. People ignore church activities and focus only on their jobs, family, and ambitions. There is nothing wrong with

creating a business if the Holy Spirit leads you. If you focus solely on temporal things and forget the things of God, you will backslide. The devil wants us to focus on fame, vainglory, mansions, properties, and buildings and forget about the kingdom of God.

Jesus Christ did not allow the devil to overcome Him. He said to the devil, “***Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.***” Temporal things are not the only way to success and happiness in life. We need the Word. We must focus on building the kingdom of God with our resources, prayers, and strength. We must focus on the things of God more than the things of this world because the blessings of God are permanent. There is an inner man in you that needs life, and the life of the inner man is the Word (***See John 6:63***).

Feeding the body with food and water and ignoring the spiritual food is a trap of the enemy. I know some Christians who focus only on the flesh. All they know is their needs and wants. They don’t have time to win souls for Jesus Christ. They don’t have time to intercede for the church, government, and leaders in various fields.

- The devil wants you to sacrifice your church activities and focus only on your job.
- The devil wants you to ignore the position in the church and focus only on your business.

- The devil wants you to separate you from the church and make you backslide.
- The devil wants you to ignore the living Word.
- The devil wants you to invest in the business than invest in God's kingdom.
- The devil wants you to divorce the Godfearing partner and marry the wealthy unbeliever.
- The devil wants you to vacate the church and follow the world's system.

Divine Key: Choose wisely because the devil is a liar!

CHAPTER TWELVE

PRINCIPLE NUMBER TWELVE

Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple,

And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone.

Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God.

Matthew 4:5-7

We must be vigilant in these last days because the devil knows his time is approaching. We have to watch and pray to avoid temptation because Satan and his minions have set traps for us (***See Matthew 26:41***). If the devil tempted Jesus Christ, then we must understand that He will also tempt us. Every temptation that leads to sin is a trap of the enemy.

God will never allow us to be tempted above our strength because He is faithful.

Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man:

James 1:13

The will of God is to lead us to salvation. God will forever be on our side if we

walk closely with the Holy Spirit and walk in the light of the Word. The devil will always show you the benefit and hide the consequences. The devil presents the glory and hides the curses. Many people have ended up in the grave because of earthly glory.

We must understand the enemy's strategy because He is a liar and a murderer (***See John 8:44***). There is no truth in the devil because He always speaks lies. The devil hides deception in every truth. He speaks because He is a deceiver. His plan for our life is to bring us shame and confusion. Every Christian must understand that our power is above Satan's power (***See 1 John 4:4***).

Satan will show you the riches, cars, mansions, aeroplanes, ships, and temporal things. He will let you desire these temporal things and forget God. This does not mean that when you buy these things; you are deceived. No! God checks the motives behind our actions. He knows the hidden thoughts in our hearts.

Humankind always judges from the outward appearance, but God checks our hearts. If our heart is right with God, no man or woman can destroy the plans of God for our lives. Let the entire world stand against you; they can never defeat you if Jesus Christ is on your side. All things will work together for your good if you love God and walk in reverence of God. God can use your mistakes to open doors for you if your heart is right with Him.

- Men and women may curse you; their words will backfire and never

come to pass if Jesus Christ is on your side (***See Genesis 12:1-3***).

- The devil will use your neighbours to mock and disgrace you if you don't put on the whole armour of God.
- The devil will use the media to bring you down if you don't put on the whole armour of God.
- The devil will use religious “***Christians***” to humiliate you if you don't put on the whole armour of God.
- The devil will use your family to disgrace you if you don't put on the whole armour of God.
- The devil will use your enemies to mock and bring you down if you don't put on the whole armour of God.
- The devil will use carnal Christians to humiliate you if you don't put on the whole armour of God.
- The devil will use demons to fight and bring you down if you don't put on the whole armour of God.
- The devil will use temporal things to confuse and bring you down if you don't put on the whole armour of God.
- The devil will use curses to limit and bring you down if you don't put on the whole armour of God.

- The devil will use hardship to limit your faith and bring you down if you don't put on the whole armour of God.
- The devil will use people to hurt you emotionally if you don't put on the whole armour of God.
- The devil will use fear to bring you down if you don't put on the whole armour of God.
- The devil will use demons to destroy you if you don't put on the whole armour of God.
- The devil will project arrows of inferiority to bring you down if you don't put on the whole armour of God.

We have spiritual weapons, and these weapons can break his deception. We have the Word in our hearts and a written form. Study and declare the Word when the enemy tries to attack you. Don't always be on the defensive side. Be a fighter in the Kingdom because we are in spiritual warfare. Don't embrace the false teachings that the devil cannot hurt us. Apostle Paul would never have written to the church in Ephesus to put on the whole armour of God if we were not in spiritual warfare (***See Ephesians 6:10-18***).

We don't put on the whole armour of God if there is no spiritual warfare.

Soldiers put on bulletproof because of the enemy. We must put on the spiritual

armour because there is an invisible war. Don't be deceived in your righteousness because the devil does not fear our righteousness. He fears the righteousness of Jesus Christ (***See Isaiah 54:17***). The devil fears the blood of Jesus Christ because it is a spiritual weapon.

CHAPTER THIRTEEN

PRINCIPLE NUMBER THIRTEEN

AND THE HAND OF THE LORD WAS ON ELIJAH; and he girded up his loins, and ran before Ahab to the entrance of Jezreel.

1 Kings 18:46

From the scriptures, we can see Elijah received divine strength when the hand of God came upon him.

- The hand of God signifies divine power.
- The hand of God signifies the anointing of the Holy Spirit.
- The hand of God signifies the wisdom of the Holy Spirit.
- The hand of God signifies the glory of the Godhead.
- The hand of God signifies His favour.
- The hand of God signifies the presence of God.
- The hand of God outpours His grace upon an individual.
- The hand of God signifies the speed of the Lord.
- The hand of the Lord signifies the blessings of God.
- The hand of God enables ministers of God to grow speedily in the realms of the Spirit.

- The hand of God makes ministers of God stronger than their enemies.
- The hand of God makes Christians sing a powerful song.
- The hand of God makes Christians write many books.
- The hand of God makes men do supernatural things.
- The hand of God empowers men to operate in the gift of the Spirit.
- The hand of God delivers us from the traps of the enemy.
- The hand of God makes us enter the realms of the prophet.
- The hand of God makes our spirit connects to the throne room of God.

When the hand of God came upon Prophet Elijah, he outran King Ahab. Israel suffered drought for three years, and Elijah prayed that the rain should descend. At the Word of Prophet Elijah, the rain came down. Ahab tried to escape the storm, but he couldn't. The Spirit of the Lord gave speed to Elijah, and he outran the chariots of Ahab.

God knows how to increase our speed when we need a boost. God makes the impossible possible. How can a man outrun chariots? King Ahab left Elijah to walk all the way to Jezreel, but God showed King Ahab that He could outrun Him. King Ahab gave little respect to Elijah, but God honoured Elijah. God can upgrade and boost the ministry of His servant miraculously. Men will suspect our victory and success because they cannot explain the ways of God. There is

no way a man can outrun chariots. God made Elijah outrun the chariot of Ahab!

- Apostle Paul was the least of the apostles, yet he did greater works than all the apostles because the hand of God was upon him
- David killed a great number of enemies compared to King Saul because the hand of God was upon David.
- Samson received supernatural strength from God. He possessed the strength of angels and strong animals to defeat his enemies because the hand of God was upon him.
- Apostle Peter became bold and courageous on the day of Pentecost because the hand of God was upon him.
- Stephen did not fear death because the hand of God was upon him.

Don't be jealous when ministers of God grow speedily because the hand of the Lord is upon them. Never in your life discredit and oppose people when you see them advancing because the hand of God may rest upon them.

- The hand of God will rest upon you if your heart is right with God.
- The hand of God will rest upon you if you reverence men of God from your heart.
- The hand of God will rest upon you if you honour men of God with what you have from your heart.

- The hand of God will rest upon you if you fast and pray.
- The hand of God will rest upon you if you set yourself apart for Jesus Christ.
- The hand of God will rest upon you if you promote the work of God with what you have.
- The hand of God will rest upon you if you pray more in the Spirit.
- The hand of God will rest upon you if you believe, feed, and teach the Word.
- The hand of God will rest upon you if you repent and accept Jesus Christ as your Saviour and the Lord of your life.

Divine Key: Divine love activates the hands of God.

CHAPTER FOURTEEN

PRINCIPLE NUMBER FOURTEEN

For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.

For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

Isaiah 55:8-59

Most people limit God in their experience and knowledge. We cannot limit God by the little knowledge and experience we have in Him because His ways and thoughts are far above ours. This does not mean that we should disregard people's experiences. We must not allow their experience to downgrade the Word of God because the Word is an unshakeable rock.

Building a house without a proper foundation puts the house in great danger because the wind and storms can destroy the house. If you build the house with great materials, the storms and the winds can never destroy the house. The Word must be our foundation because it is unbreakable. The moment a person predicts the future of someone without the influence of the Holy Spirit, the person has entered the realms of pride and deception.

God is not like a bottle of water. We cannot quantify God in a vacuum. We cannot define God's ways and plans for our lives because His wisdom is

mysterious. We can only get a hint of God's plan for our life in the Word, and His plan for our life is to bring us to a glorious end (***See Jeremiah 29:11***). The moment we define God by what we have experienced in life, we limit God. This is one of the reasons people criticize, oppose, suspect, gossip, destroy, and discredit called and anointed ministers of God.

- How can God become man and live among His creation? (***See John 1:1-14***).
- How can God allow sinful men to spit and hale insults at Him? (***See Matthew 26:59-68***).
- How can God allow sinful men to crucify Him on the cross? (***See Luke 23:1-56***).
- How can God allow mortal men to work injustice against Him? (***See Matthew 26:59-68***).
- How can God live in the womb of a woman? (***See Luke 1:26-31***).
- How can God allow His creation to nurture Him when He became a man? (***See Luke 23:1-56***).
- How can God allow His creation to judge Him? (***See Luke 23:1-56***).
- Why didn't God put on the nature of a woman but took on the nature of man? (***Read your Bible***).

How do you feel when someone insults you? Sometimes you retaliate when

enemies criticize and oppose your plans. Even among your children, you punish them for a little mistake they make. If God allowed sinful men and women to mishandle Him and treat Him like a slave, then we must understand that the ways of God are unsearchable. God could command a legion of angels to destroy His enemies (*See Matthew 26:53-54*), but He never did. You cannot define the ways of God by your limited wisdom and experience.

You are not qualified to judge another man's servant because you don't know God's plan for his life. The fact that God used "**Minster A**" uniquely does not mean that God will use "**Minster B**" uniquely. The best you can do is pray for the person and offer a helping hand. You are at liberty to counsel him, not to always strictly instruct him to follow your path. Sometimes you must allow people to exercise their liberty because they are not robots.

God created rational and emotional beings, and He has given us our free will. The angels and the saints in heaven have their free will, so why are you restricting others not to exercising their gifts and potential. Get me right; I am not saying you should allow people to perish in their wicked acts. We must correct people in the right way when they choose the wrong path. What I am concerned about is when you use your power to stop people from advancing.

You don't own the person because you did not create him, and you cannot create a human being. You cannot give life to the person. Even your children are not

your own because they are a gift from God. The only person who gives life and owns our life is God Almighty. God may curse and kill you if you violate His Word because He created you. You did not create yourself; neither did you create the person you are nurturing.

You don't have the right to be jealous of others because you don't know how they got those treasures. You own nothing because you will depart this world empty. You came to this earth with an empty hand. I have never seen a corpse buried with his wealth. God gave those blessings to you because He trusted you.

You cannot enjoy what you have attained in life if God does not give you life and strength. What do you own? You own nothing, and you don't own anyone. God only allowed you to shepherd the church, and you will be accountable to God for your corruption and the mistreatment you gave them. Whatever God has given you, you must be managed and treasured with care because God has more qualified people than you. Many people can do the job better than you, but God chose you for a reason (**Grace**). God chose you because He saw some virtue in you. He chose you because He gave you the grace to pay the price (**fasting and prayers**).

Counsel and pray for those God has given you, and leave the rest to God. Let the person decide for himself because God called the person. You did not call Him. God only used you as an instrument to nurture the person. God allowed you to help the person get to his final destination because He trusted you. The person

you are nurturing is not your property but God's property.

Do your part and leave the rest to God. Every man will stand before God and give an account. God knows that you have done your part. Leave the rest to the Holy Spirit because you are not his personal Holy Spirit. The Holy Spirit knows how to straighten the person you are nurturing. If you cannot help the person, don't destroy the person. God has His way of nurturing His children. Don't take the role of the Holy Spirit. Let the Holy Spirit have His way. Wherever the Spirit of the Lord is, there is liberty (*See 2 Corinthians 3:17*).

Don't push your legalistic robes on the congregation whiles you enjoy your liberty. Treat people with respect because they are human beings, not animals. Some animals respond to the treatment you give them; how much more do human beings do. If you treat people disrespectfully, the same measure will be measured to you. God is not a man that you can joke with; therefore, seek the face of God and feed on His Word (*See Galatians 6:7*).
