INTRODUCTION

If you are tired of the attacks of the devil using evil altars against your life and destiny, if you are saying that enough is enough to the works of evil altars, if you are saying that thus far have you gone Satan and no further will you go with that evil altar, if you are saying, the time has come for all the activities of evil altars that Satan has been using against my family to end, then I welcome you into the realm of liberty and freedom.

You're angry for the right reasons like the lepers in the Bible who got tired of staying where they were and decided to move into the city, and their movement caused a great deliverance for the whole of Israel and brought abundance to that of Israel.

Since this is a prayer book then you can't be laying on your bed while reading or reading while trying to catch a train. Evil altars don't break that way. If they break that way, then all the books that you have read would have brought you deliverance already.

You don't fight warfare while sleeping, nor fight warfare enjoying a pleasurable and panoramic view of the beach. Or have you ever seen where our soldiers in the United States fight wars on their beds?

They go into the battlefield and decimate the enemies, the terrorists who have vowed that Americans and other people of the world will know no peace.

If you want to break evil altars, then follow me into the battlefield where you will use the ***General Purpose Machine Gun (GPMG)*** of prayer to break all the evil altars that have hindered your family, kept you where you are and left a mark of frustration hanging over your life.

If you are ready to do that, then follow me as we travel through the battlefield in the pages of this book and deal with all the forces of darkness and destroy all the evil altars that the devil has raised against your life, the life of your family and friends.

Let's go to battle where you must win.

CHAPTER 1

Evil Altars

When David was sent by his father with provision to his brothers who were on the battlefield, he had a foretaste of the harassment of the Giant, Goliath. On his arrival to the battlefield, he began to make an inquiry about the battle, and the reward that would be given to the person who will bring down the giant of Gath, the Philistine who had become a thong in the flesh of the Israelites, constantly defying the armies of the Lord. Eliab his elder brother heard what David was saying and began to rain a barrage of accusations.

1 Samuel 17:28-29

And Eliab his eldest brother heard when he spake unto the men; and Eliab's anger was kindled against David, and he said, Why camest thou down hither? and with whom hast thou left those few sheep in the wilderness? I know thy pride, and the naughtiness of thine heart; for thou art come down that thou mightest see the battle.

29 And David said, What have I now done? Is there not a cause?

David just responded with a simple and powerful answer to the elder brother who was accusing him. That is there not a cause? I want you to take a careful look at the answer of David above.

Nothing happens for nothing. Everywhere you see anything happening, there are reasons and a force behind it. The Bible says my people perish for lack of knowledge. Many people don't know that there are evil altars in their lives that are sponsoring all the troubles that they have been undergoing, making them to keep running from one end to another yet without a solution. Their running will only stop whenever they come to a chilling realisation that altars are the main cause of their physical and spiritual problems.

Whenever the devil wants to operate from a remote distance and continue to

wreck havoc in the life of a man, he plants evil altars around the life of that man and continues to glare from afar as the life of that believer becomes totally upended.

Balak wanted the children of Israel to be cursed. Before Balak could begin the process of laying curses on the children of Israelites, he gave his host a clear, instructive direction on what to do before his curses can work against the children of Israel.

Build me seven altars.

Numbers 23:1-2

*And Balaam said unto Balak, Build me here seven altars, and prepare me here seven oxen and seven rams.
2 And Balak did as Balaam had spoken; and Balak and Balaam offered on every altar a bullock and a ram.*

For Balak, without these altars, all curses will find no expression in the lives of the Israelites. The devil knows that in the life of many people before he can hurt them, he needs to plant altars. And those altars will continue to speak against that man and his family for many years. There are generations who have been born into problematic situations that defy every iota of explanation.

The problem will keep working in that family for years until one day, someone from that family wakes up and says I need to throw down this altar of death or delayed marriage that has been troubling my family for a very long time.

Evil altars are not peculiar to a particular ethnic group or race. Sometimes when we talk about altars, some of our Caucasians friends think this way, oh that is an African problem. Although there can be an altar of poverty that can be tormenting a family, a society, that is not always the case. I will give you an example of a family in the United States of America that suffered tremendously from the altar of death. Many people think that what the family was experiencing was a tragedy. But I can tell you that it is an altar of death. Their father died in a plane explosion in 1948, and his daughter also died in a plane crash soon after. Other deaths followed. And in 1963, one of the members of the family who was then president of America was assassinated after being shot dead. Another family member who was a senator was also killed. Deaths continue to occur in the family. In 2019, one of the granddaughters of the family

also died.

The sequence of death that has been bothering that family is being orchestrated by an evil altar of death. And as long as that evil altar is standing, it will continue to eat up the members of the family.

Evil altars are not unique to Africa or even particular people. It can be found everywhere.

I know that as I am speaking to you right now and you scrutinise your life you may begin to realise that things aren't happening without a cause. Evil altars may be behind it.

CHAPTER 2

Did You Create the Evil Altars?

No one will ever wake up from sleep and discover that he is suddenly struggling with an evil altar. Before an evil altar can manifest in the life of any child of God, it must have been created by the child of God either through actions of the members of the family or via other means. We shall be discussing some of the ways by which evil altars can be created in the life of a believer that can constitute a barrier to what God wants him to achieve on the face of the earth.

Family Agreements

Evil altars can be created through direct agreement by the members of a particular family. For instance, in Africa where I live, there are some people who may be looking for a baby and they may go and consult voodoo priest, (Babalawo) in order to grant them the desires of their hearts. When a person consults an altar, a direct agreement is thereby created between the person who consulted the altar, and the altar that he consulted.

The devil does not give anything to any man for free. If the devil gives you a \$10 bill, he is coming back to collect \$100 bill later. After getting in touch with that altar, the condition may be that every male child in that house will never reach a certain age before he dies. It is also possible for that kind of condition not to be spelt out when the person is trying to enquire from that altar. All of a sudden, he notices that everything in the life of that family upended.

From generation to generation, the altar must continue to function. If it is an altar of death, people must continue to die. If it is an altar of poverty, people must continue to be poor in that particular family. If it is an altar of inordinate sexual desires, gay, bisexual, and several other sexual vices will become identified with that particular family.

It is only when a believer comes to realise that an altar is fighting him that he can begin to take a stand in order to break the power of that altar against his life. It has to be a realisation because the Bible says an heir, as long as he remains a

baby is not different from a slave even if he is the Lord of all the inheritance which his father has.

Galatians 4:1-2

*Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all;
2 But is under tutors and governors until the time appointed of the father.*

The child of God when he grows in the spirit to be able to know that there is an altar that is fighting him, he can rise up and say, that altar can no longer fight me and it must be broken because the Bible says in that day shall every yoke be destroyed, because of the power of the anointing.

The believer then knows that the Bible says Jesus became a curse for me so that I can live the life of freedom that God has given me.

The Bible says a time will come that this proverb will no longer be spoken in Israel where the fathers ate sour grapes and the teeth of the children are set on edge. If anyone enters into an agreement with the devil, the devil should go and meet the person to perform the terms of that agreement and not in your life.

This understanding will only come when the believer knows his status in Christ and not in any other way.

The participation in Evil Activities

There are people that participate in all forms of satanic worship and evil spirits. That worship of devils and spirit immediately activates an altar on the life of that person. Sometimes, that altar can run in the life of the person, when the altar has consumed the person to destruction, the altar will now take a personal residence in the life of that family to continue its works of oppression and destruction.

In the United States of America for instance, there are many who take things for granted. Some will even tell you that they are worshiping the devil, indulge in all forms of practices that can cause problems to their lives. It may look normal to you, but I can tell you that when you participate in things like that, you open the floodgates for altars to be created in your life.

The Bible says that don't you know that to whom you yield yourself, you are servants to that person.

Romans 6:16

Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?

A believer that submits himself to an altar, the altar can say I give you poverty, I give you sickness, I give you this or I give you that and you will have to collect what the altar has given to you.

I know that some people may not agree with me concerning what I am about to say next, but that is okay.

We can always agree and disagree as children of God.

Some things like participating in Halloween and dressing your kids in ghost-like attires can expose them to satanic altars. If you have spiritual eyes and the Lord opens your eyes to what happens in seasons like that, you will be completely astounded by the things that you may see. Don't throw caution to the wind. Some things that are considered simple and harmless could become the source of the greatest spiritual warfare that some believers may be fighting tomorrow. Sometimes you may need to be careful with some of your decision today because they can create battles for your children tomorrow.

The battles that you fought and never won, others will fight it.

Worship of spirit and Devils

Many people may not know of it but when you worship the spirit of devils, you indirectly create an altar where you and the spirit meet. Do you know why we call the place of prayer an altar? The answer is simple – that is the meeting point between you and God. When you worship spiritual entities that are not of God, you establish an altar in that particular place that has the capacity to control your life anywhere you may be. In this sense, you may look at the altar as a place where a spiritual entity and a human being meets.

Genesis 28:16-17

*16 And Jacob awaked out of his sleep, and he said,
Surely the Lord is in this place; and I knew it not.
17 And he was afraid, and said, How dreadful is this
place! this is none other but the house of God, and this
is the gate of heaven.*

Jacob was standing in a place where the heaven and earth meet, unbeknownst to him that the place where he was lying down, is an altar. When Jacob realised it, he exclaimed: this is the gate of heaven and I know not of it. Why is that place called the gate of heaven? Again the answer is simple. It is a place where there is an exchange between human beings and spiritual entities. That place is an altar.

If your family engages in the worship of spirit, an altar has already been created over your entire family. And that altar can manifest itself in different ways – the altar of death, limitation, delaying marriage, divorce, abnormal sexual behaviours such as man marrying a man, or even the altar of poverty and want. I remember a song that we used to sing when we were very young. When Jesus in the family, happy happy oh. When Satan in the family, trouble trouble oh. Although this may be children's rhymes, it adequately captures the devastating consequences of making contact with the devil in the form of worship. As the devil enters into the life of a family or a man, it is trouble and trouble all the time.

One of the greatest things that the presence of the Lord does to any man is a silent transformation that the man may not be aware of. All of a sudden, the man begins to realise that habits and character begin to break out of his life due to the impact of the presence of God.

In the same vein, if a man engages spiritual personalities that are demonic and offer a libation to them in form of worship, the presence of those demonic personalities establishes an altar over the life of that man with both direct and indirect consequences.

Consultation of Familiar spirit Altar

All through the Bible, one clear warning that God repeatedly sounded to the children of Israelites is not the consult of familiar spirit or divination. God knows that consulting familiar spirits goes beyond the issue of seeking an answer to the questions of life. Once a person engages in the act of consulting familiar spirits, an evil altar is hoisted over his life whether he likes it or not.

Saul in the Bible was constantly seeking God's direction to be guided in every area of his life until when the seed of disobedience began to manifest. The Bible says in the book of 1 Samuel 28:6, that the Lord stopped speaking to Saul by dreams and the prophets.

In order to find answers to his questions, Saul turned to a familiar spirit. He went to enquire of the familiar spirit whether he should go into battle or not. We all know the story of Saul how he died in battle prematurely. His disobedience largely contributed to his death. By the fact that Saul consulted a familiar spirit, an altar was already established over his life that could have led to his death in any case. The Bible didn't tell us what type of altar was established over the life of Saul when he decided to consult the familiar spirit at Endor. It could be an altar of death or any other type of altar.

Initiation into Occult and Evil Practices

This is by far the easiest way to establish an evil altar over the life of any man. People who get initiated into secret cults and other evil practices activate evil altars over their lives and that of their families. Many of these occult groups will tell you that they are brotherhood meant for the protection of the interests of others. But in reality, a lot of these evil practices involve human sacrifice and the drinking of human blood. The Bible says something very interesting in the book of Romans that don't you know who you submit yourself to and obey, you are servants to that person. So if you are constantly sinning, you are a servant of sin. If you are constantly living a life of righteousness, you are a servant of righteousness (Romans 6:16).

The key here is submission and obedience. When you bring yourself under any dominion or authority, you have submitted yourself to all that pertains to that authority or power.

Whatever the altar makes available for you that is what you will take. If the altar decides to say for joining us, every male seed in your family will die at a certain age that is what you will eventually get. Why? You have put yourself under the power of that altar, and it will rule over you. Thank God for the prayers contained in this book, you can break every evil altar that is limiting your life and destiny.

Altars of Wicked men and Women

Evil altars can be created by wicked men and women around your life. In this way, the altar may not have been created with your direct involvement but through the wickedness of people that don't want anything good to happen to you. These people create this kind of evil altar in order to fight your life and destiny. I have heard the testimony of a brother who's loved one was expelled from the University. His own life was also grounded and nothing seemed to be happening. Later on, it became evident that his stepmother was responsible for the evil occurrence as she is a witch. It took fervent prayer for his brother ([that type of prayer that I have explained in this free Guide, Praying to See Results](#)), who was expelled from the university to be recalled back to continue his schooling. That prayer broke the grip of the witchcraft activities of his stepmother over his life and over the life of his brother. The stepmother might have been using a witchcraft altar to fight this brother in Christ. This brother did not create this altar by himself or through any form of involvement on his own path. The altar was fighting him because of his stepmother.

Matthew 10:36

And a man's foes shall be they of his own household.

When you see people going through unexplainable situations in their lives, it could be that the altar of wicked men or women is fighting them. And that altar of wicked men or women must be broken if you must progress from where you are to the next level that God wants you to be. The world is increasingly becoming evil with many people using the power of darkness to destroy the innocent. It, therefore, behoves on all those who are children of God to be armed with the power of prayer to destroy all evil altars that the enemy might have used men to set that altar over our lives. People may be laughing with you, but it is not all of them that mean what they are saying with their lips. Of all altars that we have discussed above, this is one of the destructive and meanest. It is often raised by people you trust, and the person who is using that altar may continue to attack your life without your notice or knowledge.

CHAPTER 3

Know what the Evil Altars are doing

In the early chapter of this book, I gave an example of a prominent American family whose members were harassed by premature death. The truth is that anything that takes a man's life besides carelessness on the part of the man, it can be attributable to the evil altar especially when the cycles become continuous.

From the family that you will be born into to your race, your country and even till the day that you will die after fulfilling your life assignment, everything has been planned by God and heaven. Each stage of your life has been ordered to take place in a sequential manner. That is why the Bible says I have come to do your will in the volume of the books as it is written concerning my life.

Hebrews 10:7

Then said I, Lo, I come (in the volume of the book it is written of me,) to do thy will, O God.

What evil altars do is to limit what is written concerning you in the volume of the books by serving you with a **Quit Notice** and say that by the end of 40 years, all the members of this family must die or in the flower of their years. That is when they haven't achieved much in life. The person is prematurely buried.

Any repetitive death in any place is an indication of the altar of death. Evil altars can continue to manifest until they are destroyed. The circles of death that have been bothering you and your family, clearly show that an evil altar is behind it. Things don't happen by chance. Powers, principalities, wicked men and women can be responsible for some of the activities of evil altars that you see around your life.

The stubborn History

Some stubborn situations around your life are an indication of evil altars. I know that in the medical field, there is something called family history which affects

people from different generations to generation. If your great grandparents had problems with diabetes, chances are that you will also suffer from diabetes. Or if your great-grandparents suffer from liver cirrhosis, you may also battle with that disease. You see, that is what the doctor will tell you because he deals with facts that he can see and understand.

However, some of these so-called medical histories are evil altars that the devil has raised. Since your grandparents or your parents didn't take it seriously to fight the evil altar, that evil altar will continue to fight you. It is your choice to break down the altar of your father's house because whatever battle or the evil altar that you didn't break down, it will be left to your children to fight the battle.

Solomon, the Son of David enjoyed great peace and rest when he began to rule. There was never a time that he had cause to go to war or fight against any form of restiveness or treason the type that arose during the days of his father, David. Even Solomon himself had to acknowledge this that his father couldn't build a house for the Lord because of the wars that surrounded him.

1 Kings 5:1-5

And Hiram king of Tyre sent his servants unto Solomon; for he had heard that they had anointed him king in the room of his father: for Hiram was ever a lover of David.

2 And Solomon sent to Hiram, saying,

3 Thou knowest how that David my father could not build an house unto the name of the Lord his God for the wars which were about him on every side, until the Lord put them under the soles of his feet.

4 But now the Lord my God hath given me rest on every side, so that there is neither adversary nor evil occurrent.

5 And, behold, I purpose to build an house unto the name of the Lord my God, as the Lord spake unto David my father, saying, Thy son, whom I will set upon thy throne in thy room, he shall build an house unto my name.

However, Solomon had a peaceful reign during his time. The reason for this is simple, his father David had fought all the battles so there was none for Solomon to fight anymore.

Friends, you've got to stand up and break all these evil altars because the battle you refuse to fight, it will be left to your children to fight that battle.

You've got to make up your mind that the evil altars of limitation, premature death, abnormal sexual behaviour, altars of always getting closer to success but not seeing results, are going to end right with you. It is like saying, as we have said earlier, this evil altar thus far have you gone and no further will you go. Your end has come.

What I am telling you has a Biblical foundation as many people in the Bible also suffered from the consequences of evil altars. The family of Naomi also suffered from the manifestations of evil altars of premature death.

Ruth 1:1-5

Now it came to pass in the days when the judges ruled, that there was a famine in the land. And a certain man of Bethlehem Judah went to sojourn in the country of Moab, he, and his wife, and his two sons.

2 And the name of the man was Elimelech, and the name of his wife Naomi, and the name of his two sons Mahlon and Chilion, Ephrathites of Bethlehem Judah. And they came into the country of Moab, and continued there.

3 And Elimelech Naomi's husband died; and she was left, and her two sons.

4 And they took them wives of the women of Moab; the name of the one was Orpah, and the name of the other Ruth: and they dwelled there about ten years.

5 And Mahlon and Chilion died also both of them; and the woman was left of her two sons and her

Do you see the activities of this evil altar of death in the life of Naomi? The death of the male seed, only men dying to leave the women alive.

Never crossing it

When you can't cross it, no matter how hard you try, it is an indication that you are under the influence of an evil altar. The individual is perpetually in a single spot. He can't go beyond that point. It seems it has been appointed onto that man to reach a particular spot and stop there. When you see something like this manifesting in your life, an evil altar may be behind it operating covertly without your knowledge. Many a believer isn't aware that evil altars can manifest in that manner.

One way to know or diagnose this sign is to x-ray what happens in your family. Sometimes it may be necessary to take a journey down the family line. Look at your grandfather, then your father, your brothers, sisters, and nephews. Do they all seem to be stuck when they get to a particular point in life? No matter what they do, however best their effort may be, it looks like any level beyond where they are is a curse and they can't get past it.

Friends that is the evil altar of limitation at work. This is contrary to the agenda of God in the life of a man or even his family. God's greatest desire is for you to reach the summit of what he has ordained for your life. But altars can be raised by principalities and powers to cage you at one spot.

No wonder the Lord told Gideon to cut down the altar of Baal that was in his father's house. And when he did, it caused a serious stir in the city. Why? The men of the city knew that the moment the evil altar of Baal that was limiting Gideon was thrown down, the cap of limitation was destroyed.

His rising couldn't be stopped by anything. Look at what happened after the altar of Baal was thrown down.

While Gideon's father was relatively quiet, an unknown personality, because an evil altar fought him beyond imagination, Gideon rose beyond the limitation of his father's house and went on to achieve great things for the Lord.

His achievements were so great that it was captured in the believers Hall of Fame, in the book of Hebrews chapter 11. How did Gideon get there? By the force and the power of decision, he took to break down the evil altar of Baal. Gideon decided to fight the altar that fought his father. And Gideon was successful against that altar.

Friends, if you want to break down the limiting altar in your life and your destiny, make a decision to destroy the altar now by the power of prayers.

Periodic Manifestation

The devil is bad and he has no good side. From whatever point you look at it, he is a very bad devil. He installs evil altars with periodic manifestations in the lives of people. The evil altars will never work against the person until when it is at a season. The evil altars have been programmed to rear their dirty and wicked head when the person is about to achieve success in life. Whenever the person goes for any promotion exams, he must fall sick. Whenever something big is about to happen to the life of the person, the individual becomes so sick that he misses that thing.

A sister in Christ once shared her story with me. She has a company that produces air freshener. And I can attest to the quality of her products that they are good. I have used them.

She marketed the product to one of the biggest hotels in Abuja, Nigeria. Her products were so good that the manager, after testing her products in their hotel, gave her a timeframe within which to return back for a possible contract of supply.

The hotel I am talking about is one of the biggest in the entire city of Abuja. It has rooms in hundreds. Imagine if an order is placed for her products to be supplied to the entire hotel, how much she will make.

However, a week before her appointment with the hotel manager, she had a terrible accident and could no longer see the manager of the hotel. That was the end of that contract. And that was how a life-changing opportunity was ruined by that accident.

This is, without doubt, the operation of an evil altar that frustrated the mega testimony of the sister. This evil altar in the life of the sister had a periodic manifestation.

Another example that I can give you is this, there are people who have seasonal insanity, seasonal fever, seasonal sicknesses and afflictions that will only arise when they are close to a breakthrough. What is even strange is that some believers who are having these challenges will tell you that, I just go through it and after a season, it is over. It is normal.

Friends, it isn't. I am telling you that it is an evil altar with a strong seasonal

manifestation. It is programmed by wicked powers and principalities or wicked men and women to work in this way and manner in your life and destiny. You've got to rise up and fight it. If you don't do anything about it, don't expect a miraculous deliverance.

The Bible says from the days of John the Baptist until now, the kingdom of God suffers violence, and it is only the violent that takes it by force.

Matthew 11:12

And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force.

I want to tell you that an element of force is required for your deliverance.

In case you don't know this, evil altars don't understand gentle man's approach they understand the language of spiritual violence and force. And it is through that violence that some people got delivered from the works of evil altars.

Unusual desires

I will begin this small subtopic with what a sister once shared with me. She had a battle with strong sexual desires for the same sex. Her own desire was not for a man, it was for a woman like her. And this sister is a believer in Christ Jesus.

Even though she is a lady, she wanted to have sex with ladies.

One day, she messaged me and began to explain the struggles of her life with the desire for the same sex. We spoke, and I examined her concerning her family. She told me about the abnormal sexual desires that the father had as he was sexually molesting small boys. The father had the same strong abnormal sexual desires for men or for boys and now, she is also fighting the same thing.

I need to say this to all Christian parents, in case you are a parent reading this book right now. Endeavour to fight all battles to the finish as what you didn't fight, your kids will have to fight it. If you are reading this right now and you have been battling with abnormal sexual desires for the same sex, and you perceived that it is an evil altar, fight it and ensure that the evil altar is broken

completely. If you don't do that, that same evil altar will fight your children tomorrow.

The evil altar you didn't want to destroy today, might be the main problem of your children tomorrow. The evil altar that you didn't break today, may break your children tomorrow. May that never be your portion in the name of Jesus. Amen.

Evil altars of abnormal sexual desires should be fought in entirety. When I was talking with the sister from the USA, she told me something I will never forget.

And I'm quoting her words, “ ***I have decided not to live that way .***”

Even though the evil altar of abnormal sexual desires for the same sex dealt with her father, she had made up her mind not to live that way. And the will of man is powerful. No wonder the Bible says that whatever you forbid on earth is forbidden in heaven.

I heard this testimony from my spiritual father, Dr. Pastor Paul Enenche that a building collapsed, and a man was found alive after many days buried in the depths of the rubbles of that collapsed building.

When the man was later rescued, he was questioned what was the secret, he said, I choose not to die.

That is the power of the human will. And I want you to employ the power for your deliverance today in the name of Jesus.

Strongholds and destructions

As I've said this before, I'm going to repeat it again that the devil is bad and that he has no good side because he is a master orchestrator of evil altars. Oftentimes, there are several things that are happening in the lives of so many people which they may not regard as the sign of an evil altar.

When you ask them, they will tell you it is just a weakness in my family and nothing more. What the devil has done is to build an evil altar with the expectation that the destruction of the person will lie in the evil altar that was raised against him.

When I was young, around the age of 10 years old, my neighbour's family had

this evil altar working against them. Although at that time I did not know that it was the work of an evil altar. However, when I gave my life to Christ and my knowledge of God increased, I realised that it was an evil altar that fought and destroyed many members of the family. I and my neighbour's son were friends. Their father had a terrible addiction with alcohol, as alcohol stayed glued in his mouth all day. Their father would come home completely drunk and inebriated. The moment he set his foot in the house, he would beat his wife.

At one time, he took the food cooked for the whole family and cast it into the well. The situation was that bad. However, as the years sped by, the power of God captured the man, and that man who had an appointment with alcoholism became a born-again Christian. He repented and got transformed. However, the evil altar of alcoholism warred on the doorstep of his children.

All his children became heavy drunkard. It was one of the sons that even killed the father due to excessive drunkenness and carelessness. The father had given him money to travel to the village and complete a building project which he had started. The boy took the money and spent the entire fortune on drinks in a beer parlour in one night. Just as drunkards behave, I believed that he even purchased beer for everyone in the bar and wasted his father's money, which the labour of many years had earned.

On hearing the news of what his son had done, the father fell down and died. The same young boy that occasioned the death of his father also died by the power of liquor.

The eldest brother died in the same mysterious manner too. And even one of his daughters was also trapped by alcoholism too.

This isn't a weakness inherent in this family. It is an evil altar manifesting itself through stronghold in the life of this family. They were often drunk excessively and that is what destroyed many members of the family. Forgive me, I am bothering you with too many stories. My intention is not to bother you but to make you understand what I am trying to say.

A pastor was travelling in the night alone in his personal car when he got to a forest, dark and lonely, his car suddenly stopped. He made a determined effort to start the engine of the car to no avail.

He was in his car watching as he saw someone came up with a goat, dragging

the poor animal behind him. The person entered the bush and called the name of a certain person and planted curses upon the life of that man and said that this is how your life will be just like the life of this goat. When he concluded his curses and left, the Lord led the pastor to the same goat to reverse all the curses that this man has said against this person.

After concluding that, he went back to his car, started it and the engine came alive again.

Friends, take nothing for granted. Some strange behaviours which you see are products of evil altars, and it is your duty to dismantle them.

CHAPTER 4

How to pray effectively to Break Evil Altars

Get Scriptures

This is particularly necessary when you are praying the prayers that are contained in the last chapter of this book, that is, other prayers for Destroying Evil Altars. The scriptures are necessary to make your prayers potent.

How powerful your prayers are, depend on scriptures that you came armed with. Don't just come to the place of prayer empty without scriptures. Look for Scriptures that address that altar you are trying to break. I have made everything easy for you by providing the scriptures you need for your prayers.

Pray with the Anointing Oil

Isaiah 10:27

And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing.

The anointing oil that is blessed is a symbolic representation of God's power. The breath of God will find its way into the bottle of oil when it is prayed over. And whenever the breath of God is present anywhere, deliverance and destructions of the work of Satan are 100% completed already. It was the breath of God that was upon the red sea that parted it into two, an act that has never been done in the history of the world. Such is the power that the anointing oil carries when it is prayed over and blessed.

Before you begin your prayers, you should anoint your head with oil. The anointing oil is a powerful tool for breaking evil altars.

Psalms 133:2

Behold, how good and how pleasant it is for brethren to dwell together in unity!

2 It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments;

3 As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the Lord commanded the blessing, even life for evermore.

Come with the attitude of Flexibility

Be flexible when you begin to pray to destroy evil altars. That is the reason why the last chapter of this book was written to help you align yourself with the Holy Spirit when he tells you that other evil altars exist in your life or you perceived that those altars are working against you. Follow the leading of the Holy Spirit and do as he has commanded you to do.

Make Use of the Night Season

The night season carries one of the greatest spiritual signals that can be found in any part of the day of human existence. Both angelic and demonic activities are at their highest heights. Praying to break evil altars at the night season can cause great deliverance.

Psalms 17:3

Thou has proved mine heart; thou hast visited me in the night; thou has tried me, and shalt find nothing; I am purposed that my mouth shall not transgress.

God's visitation takes place at night. It is an indication that spiritual activities are at their peak at night.

It is in the night season that some of the demonic works of darkness are carried out. Furthermore, witches and wizards, and the agents of the devil carry out most of their meetings at night. It is in the night seasons that some evil altars are raised and decrees from that altar are made.

Most wicked activities of the devil take place in the night-time. The enemy uses the night to sow tares into the lives of people.

Matthew 13:25

But while men slept, his enemy came and sowed tares among the wheat, and went his way.

Some people go to bed at night and wake up to find everything overturned and altered in their lives. It was while they were sleeping that the enemy was able to sow tares into their lives.

The night season, between the hours of 12 AM to 4 AM in the morning is a perfect praying time for destroying evil altars.

Use the Prayer Watches

Acts 3:1

Now Peter and John went up together into the temple at the hour of prayer, being the ninth hour.

If for any reason the night season isn't comfortable for you to pray and destroy evil altars, you can employ the use of the prayer watches which is very effective. There are some hours in the day that are regarded as the time of prayer.

You can use the prayer watches for breaking evil altars. The Bible says Peter and John went into the temple at the hour of prayer. The Bible specifically says it was at the ninth hour.

Generally, the hours of prayer are 6 AM, 9 AM, 12 PM, 3 PM, 6 PM, 9 PM, 12 AM, 3 AM, and 6 AM in the morning. These are the hours of prayer and you can follow these prayer watches to get instant answers to your prayers as explained [in my free Guide Praying to See Results.](#)

Stick to the prayer watches if they are convenient for you. If you are at your job that won't allow you to pray, you can just pick any of the prayer watches in order to pray and destroy evil altars.

CHAPTER 5

The Priest or Priestess of the Altar

A priest of an altar is usually a person, a human agent who serves as an intermediary between the spirit and the human. He is the man that ministers to the altar. Without him, the work of that altar would have been rendered nugatory. He is the man that gives permission to spirits to continue to frustrate people and human beings. All evil altars by wicked men and women have priests or priestess that minister at that altar. Any day that the priest of the altar is cut off or judged by the Lord for his wicked acts, the activities of that altar comes to an end as the spirits will no longer have an intermediary for their activities. Some of the wicked activities of darkness that have been troubling your life will come to an end if the priest or an evil priestess that works on the altar is bound or judged. I have heard the testimonies, and the stories of many people who were afflicted and suffering from the manifestation of an evil altar and that affliction couldn't stop. To their astonishment, when someone died, all their afflictions just went away. As the priest that was ministering at that evil altar was no longer available to keep its flame burning that marks the end of the altar. Once the priest of the altar is dead or judged, then that altar is gone also. I don't believe in praying for people to die, however, if the man who is the priest of that evil altar or the woman who is the priestess of that altar refuses to repent and turn over their hearts to the Lord then their end is sure to come.

Sometimes, when God wants to liberate you, certain people must lay their lives. It wasn't that God delighted in the dead of Pharaoh, the King of Egypt, but he was standing in the way of the freedom of God's people. And as long as Pharaoh lives, the Israelites would have never smelled any iota of freedom. So he has to die so that the freedom can be given to God's people.

God said in his word that he gives nations for the sake of the righteous, for you and I.

Isaiah 43:4

Since thou wast precious in my sight, thou hast been

honourable, and I have loved thee: therefore will I give men for thee, and people for thy life.

However, I can tell you that, as long as some people are still living, you can never have peace! So the priests of these altars have to be cut down if they don't want to turn over their lives to the Lord. Some of us may not understand that the prayers that we have been praying against some of the unpleasant things of your life may lead to the destruction of people. And I can tell you that it is necessary. God doesn't want anything standing in the way of freedom for his people. Pharaoh stood on the way of freedom for the children of Israel, he found himself buried in the waters.

Unless you begin to understand the power that altars can wreak in your life you may continue to look at it with an eye of acceptance when the altar is responsible for sponsoring all the evil that is around your life.

The manifestation of evil altars can be hidden from the believer if he doesn't take matters seriously in order to destroy them. When Rebecca was pregnant with two children and the two children were striving in her womb, she didn't take it for granted but went before the Lord to ask if it be so, why am I thus?

Genesis 25:22

And the children struggled together within her; and she said, If it be so, why am I thus? And she went to inquire of the Lord.

It was when she asked the Lord that an explanation concerning what is happening in her womb was unravelled. That is the mindset that we need to operate with. When you see evil altars manifesting in your life, you need to go before the Lord and make an inquiry. Lord, why is this and that happening in my life and family? The Lord will give you insight into what is happening to you, and it is from that platform that all of your prayers concerning that altar will be launched.

If you haven't done this, then the Altar is Still Standing

Judges 6:25-26

And it came to pass the same night, that the Lord said unto him, Take thy father's young bullock, even the second bullock of seven years old, and throw down the altar of Baal that thy father hath, and cut down the grove that is by it:

26 And build an altar unto the Lord thy God upon the top of this rock, in the ordered place, and take the second bullock, and offer a burnt sacrifice with the wood of the grove which thou shalt cut down.

The greatest error many people make in deliverance is not replacing what they have destroyed with something that is godly. In the realm of the spirit, a vacuum is expressly forbidden.

Emptiness is something that the realm of the spirit can't tolerate. At each given point, entities must be occupied.

Luke 11:24-26

When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest; and finding none, he saith, I will return unto my house whence I came out.

25 And when he cometh, he findeth it swept and garnished.

26 Then goeth he, and taketh to him seven other spirits more wicked than himself; and they enter in, and dwell there: and the last state of that man is worse than the first.

This evil spirit that has gone out of this man went and came back and found that when he was sent packing out of the place where he once dwelled, the place wasn't occupied. It was left empty, while the former occupant was deprived of occupying the place he lived.

That spirit became angry and went back to return with seven other spirits in order to make sure that after this man becomes a captive again, he can't escape or gain freedom for any reason.

When you have cut down an altar of darkness, do not leave it empty. Replace it with an altar of the Lord. The scripture under reference which we have seen in the book of judges said, the moment the Lord told Gideon to go and cut down the altar of his Father's house, the next verse contains critical information. Gideon built an altar for the Lord. Don't just destroy the altar and leave. Satan can reinforce especially if that altar is that of wicked men and women. When the evil altar has been pulled down, the next vital thing to do is to erect an altar for the Lord.

How do I build an altar?

In the Old Testament days, the people of Israel constructed altars with stones and even in some cases, they made sacrifices on the altar in order to continue to worship God in that place. Won't it be strange now if I tell you to go get a corner of your house and put stones and then cut a goat, set it on fire and let it burn as your sacrifice?

Sure, I believe. It sounds strange. Right?

Well, the reason why the children of Israel constructed altars with physical objects is to continue to remind them of the commitment to worship whenever their gaze set on that altar. For instance, a man raised an altar for the Lord in the bush, whenever he sees it, he may worship God there and he is further put in remembrance of his obligation to the Lord.

In this present dispensation, altars are not built with physical attributes anymore. It is more spiritual than it is physical. An altar can be a place of prayer or even a spiritual fortress that is constantly greased with the oil of sacrificial giving.

That becomes a spiritual altar that can speak for you at any time. In 2016, I had applied for a job. While in the organization undergoing all the tests in preparation for the interview, I had this full assurance and conviction that I was going to get the job. To my consternation, after the written test, everything just entered into this quiet mode that I couldn't understand.

I was led to raise an altar of sacrifice for the job. I took some amount of money, packaged it and gave it to the Lord with the intention that the giving was going to fight my battle to getting that job. And you know what? It did just that.

You can raise an altar of sacrifice. The good thing about this altar is that it will

be speaking for you even when you don't know it. It is spiritual, and it is perfect for dealing with evil altars.

2 kings 3:26-27

26 And when the king of Moab saw that the battle was too sore for him, he took with him seven hundred men that drew swords, to break through even unto the king of Edom: but they could not.

27 Then he took his eldest son that should have reigned in his stead, and offered him for a burnt offering upon the wall. And there was great indignation against Israel: and they departed from him, and returned to their own land.

This scripture captures what I have been saying about the power of sacrifice. If done right and with understanding, it does wonder. This man did what only God wanted to do in the future. Even though the Lord loves the Israelites, the sacrifice of this King stopped the Israelites from winning the battle. God gave Jesus as his son. This man took his only son and gave it as a sacrifice. It was too strong and Israel had to leave the man alone.

The altars that have been fighting you aren't physical if they were, I would have told you just go get a digger and cut it down.

But it is spiritual. And you need something to continue to speak when you make sacrifices on that altar from time to time. A spiritual problem requires a spiritual approach.

You can also raise an altar by turning that place of worship into a meeting point between you and the Lord. Whenever God sees your consistency, he will begin to come to that place where the altar is located and meet with you. That is why you see people having supernatural and divine encounters in the place of prayer, which has become their altar. Why? God comes and wherever he is, supernatural encounters flow like a deluge.

Wherever place you pray or worship all the time can become an altar.

CHAPTER 6

Destroying evil altars by the power of prayers

It is time to pray, and I want you to make up your mind that you really want to pray. The force of prayer is what will break down every evil altar in your life, the lives of your loved ones, and your entire family. Only if you can be willing to pray.

2 Chronicles 7:14

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

The Bible says if my people who are called by my name will humble themselves and pray, I will hear from heaven and heal their land.

Pleading for Mercy

We need to clear anything that can stand in the way of our prayers, and the greatest way we can do that is by pleading for mercy through the blood of Jesus. The Bible says if I regard iniquity in my heart, the Lord will not hear me.

Are you bitter, have you done something wrong whether commission or omission, we have to make demands on the blood of Jesus to cleanse and purify us else all the prayers we will pray in this book will be useless.

That is what sin can do to a man. No matter how desperately you need deliverance, sin can serve as a barrier to the deliverance you are looking for. No evil altar can respond to your prayer if you are living in sin. So we need to clear that out of the way so that we can go into the prayers directly and see [instant results just as I have explained in this free Guide, Praying to See Results.](#)

Reflection

Psalms 66:18

If I regard iniquity in my heart, the Lord will not hear me:

1 John 1:9

If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

1 John 2:1-2

*My little children, these things write I unto you, that ye sin not. And if any man sin, we have an advocate with the Father, Jesus Christ the righteous:
2 And he is the propitiation for our sins: and not for ours only, but also for the sins of the whole world.*

Holy Father, I come into your presence by the reason of the blood of Jesus. And I pray that the blood of Jesus will speak for me from the beginning of this prayer till the end and forever in the name of Jesus.

Holy Father, whatever sin that I have committed today I make demands on the blood of Jesus to purify me and cleanse all of it in the name of Jesus.

Righteous Father, any sin of omission that is going to serve as a hindrance to my prayers today, I make demands on the blood of Jesus to cleanse that sin right now in the name of Jesus.

Dear Lord, anyone that I am holding in my heart who has offended me, and I have been unable to forgive them, I make demands for your grace to release and forgive them in the mighty name of Jesus.

Precious Saviour, may the power that is in the blood of Jesus deliver me completely from every form of bitterness and grudges in my heart in the name of Jesus.

Heavenly Father, thank you for the forgiveness of my sins and the purification of

my life in the name of Jesus.

Inviting the Holy Spirit

It is only the presence of the Holy Spirit that can guarantee your liberty from the activities or the works of evil altars. And if we really want to see results out of our prayers, the first personality which we must invite is the Holy Ghost.

The Bible says where the spirit of the Lord is, there is liberty. Once we are able to invite the Holy Ghost, and he comes, liberty and freedom from evil altars are a hundred percent sure.

Reflection

2 Corinthians 3:17

Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty.

Lord Jesus, I am praying according to your word that says that whenever we invite the Holy Spirit into any prayer, our liberty and freedom must be obtained. Therefore, I make a special invitation to the Holy Ghost to come into this place where I am in the name of Jesus.

Holy Father, I know that it is not by my strength, my power but by the Spirit of the Lord. I pray that the Holy Ghost will come and empower me to pray this prayer fervently from the beginning to the end in the name of Jesus.

Father, I make demands for the outpouring of the Holy Ghost upon my life right now in the name of Jesus. Just as the power overshadowed Mary, I asked that the same power should also overshadow me for effective prayer this moment in Jesus name.

Holy Father, I make demands for the anointing of the Holy Ghost to come upon my life right now in the name of Jesus. Just as the Holy Ghost came upon the life of Jesus, and he began to deliver people, let that same Holy Spirit come upon my life for the deliverance of my life and destiny from the activities of evil altars in the name of Jesus.

God Almighty, thank you for the presence of the Holy Spirit in this place since the Holy Spirit is here, my liberty and freedom from the works of evil altars are guaranteed.

Almighty Father, thank you for the fresh outpouring of the Holy Spirit upon my life and destiny at this moment in the name of Jesus.

Father in the name of Jesus, I pray that the presence of the Holy Ghost will engulf me like a flame of fire.

Thank you, Lord, for answering my prayers and for the presence of the Holy Ghost. To you be all the glory and honour in the name of Jesus. Amen.

Prayers that Break the Evil Altar of Premature Death

As we have said earlier, from the day you were sent to this earth, the number of days you are supposed to live has already been calculated and numbered by God. If God says you are going to live up to the age of 95 years old, that is the number of days you are to fulfil before you will be called home after gloriously finishing your assignment on the face of the earth.

However, when an evil altar is at work in the life of a person or family, the individual will not be able to fulfil the number of his days as it had been ordained by God. The Bible says I have come to do your will according to the way it is written in the volume of the books. And in the volume of the book, the number of your days is also clearly written.

Conversely, the devil will construct evil altars against people in order to limit their days and cut them off before their due time.

Look for instance at the life of Abraham, Isaac, Jacob, and so many of the Patriarchs of the faith that lived before us, they all lived to a ripe old age and when they were about to be translated to glory, they gathered all their children and blessed them and even told them what will happen to them in the future. That is the scriptural order.

Do you know why Jesus died at the age of 33 years old? It is so that you and I can be able to fulfil our days.

That is the reason why you must seek to break every altar of premature death in

your life and in the life of your family.

Reflection

Exodus 23:25-26

And ye shall serve the Lord your God, and he shall bless thy bread, and thy water; and I will take sickness away from the midst of thee.

26 There shall nothing cast their young, nor be barren, in thy land: the number of thy days I will fulfil.

Genesis 25: 8

Then Abraham gave up the ghost, and died in a good old age, an old man, and full of years; and was gathered to his people.

Hebrews 2:9

But we see Jesus, who was made a little lower than the angels for the suffering of death, crowned with glory and honour; that he by the grace of God should taste death for every man.

Holy Father, I break every altar of premature death that is killing people before their time in my life and in the life of my family in the name of Jesus.

Heavenly Father, every ordinance of death, decrees and declarations of death that are being issued by that altar, I command those decrees to be nullified by the blood of Jesus.

Righteous Father, every priest or priestess that is ministering at that evil altar of premature death, I command them to be cut off by the blood of Jesus.

Lord Jesus, I know that the sacrifices of the blood of Jesus cannot be in vain, and Jesus died prematurely so that I can live to a ripe old age, I activate the covenant of life over me and my family in the name of Jesus.

Righteous Father, I command every altar of premature death against my life and against the life of my family, to be broken into pieces in the name of Jesus.

Holy Father, let every evil altar of death catch fire now in the name of Jesus.

Righteous Father, since the blood of Jesus speaks better things than the blood of Abel, may the blood speak life over my own personal life, the life of my loved ones, the life of close friends and relations in the mighty name of Jesus.

Holy Father, every spirit of death that has been released by the altar I command their destruction by the blood of Jesus.

Righteous Father, every spirit that has been released by the altar of premature death which has been causing a lot of mysterious accidents to my life, and the life of my wife, today I bind the spirit in the name of Jesus.

Holy Father, by the reason of the blood of Jesus those spirits that have been released by the altar to cause death and destruction and to cut me and my family before our time, I disconnect them from their source of strength and power, and I bind them in the name of Jesus.

Father, just as the fire came down upon Mount Carmel and consumed the sacrifices upon the altar that is how the fire will come down from heaven right now and consume everything that is upon that evil altar of death in the name of Jesus.

God Almighty, I decree life, liberty, freedom for my life and family in the name of Jesus.

Dear Heavenly Father, your word has said that where the spirit of the Lord is there is liberty, by the presence of the Holy Spirit in this place right now I decree that there shall be liberty for me and my family from the grip of the evil altar of premature death in the mighty name of Jesus.

Holy Father, I take authority over every activity of that evil altar in the mighty name of Jesus.

Lord Jesus, I stand today by the authority in the blood of Jesus and I cancel all the works, projections of that evil altar of death against me in the name of Jesus.

Heavenly Father, by the power that is in your word, and the deliverance which I received today from that evil altar, no longer will premature death be present in my family again in the name of Jesus.

Declarations against the Altars of Death

I decree from today henceforth that none of my family members or any relation, cousin, nephews, or anyone that is connected, associated, or related to me will ever be cut off before their due time in the name of Jesus. By the life that is in the blood of Jesus, I nullify every altar of death that is speaking against us in the name of Jesus. This is my liberty and this is my freedom and the freedom of all those that I am praying for. In the name of Jesus, I declare and decree.

Prayers against Altars of Seasonal Manifestations

These are altars of satanic installation meant to stop you from getting to where you are supposed to be. The goal of this altar is to manifest at the season of your breakthrough in order to limit and frustrate what God wants to do with your life. We have already explained how this kind of altar works, but I just need to add that, evil altars with seasonal manifestations do not work every day in the life of a person. They are programmable altars that have the power to sense when something is about to happen to you and then they will strike and destroy it. We are going to pray and break the powers of that altar.

Reflection

Luke 10:19

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

1 John 3:8b

For this purpose the Son of God was manifested, that he might destroy the works of the devil.

Lamentations 3:36

To subvert a man in his cause, the Lord approveth not.

Holy Father, may your fire come down from heaven and consume every evil altar with periodic manifestation in my life in the name of Jesus.

Righteous Father, every evil altar that has a seasonal impact in my life and destiny, let it be broken into pieces in the name of Jesus.

Holy Father, all ordinances and decrees issued by that wicked and evil altar that manifests at the season of my breakthrough may your fire from above consume them in the name of Jesus.

Heavenly Father, every demonic priest, and priestess that service that evil altar to manifest in my life seasonally, may your fire consume them in the name of Jesus.

Righteous Father, every human agent that is serving as the priest or priestess of that altar be cut off right now in the name of Jesus.

Heavenly Father, by the authority of your word that says that you will never approve of any action that seeks to subvert a man in his own cause, I render the activities of that altar ineffective in the name of Jesus.

Glorious Father, let your power that destroys the works of Satan destroy every evil spirit that comes out of that altar in the name of Jesus.

Righteous Father, every evil spirit that has been sent from that altar to monitor the seasons of my breakthrough in order to report back to that evil altar with seasonal manifestation to come against me, let this evil spirit be blinded by your fire, and may it never be able to locate me again in the name of Jesus.

Father, I pray that may all the seasons of my breakthrough from this day forward be covered in your blood in the name of Jesus.

Father, by the authority that is in your word, I nullify all speaking of that altar in the name of Jesus.

Holy Father, you have said in your word that all the years that the caterpillar and the worms have eaten, you will restore them back to me. Now that this evil altar

with seasonal manifestation has been destroyed in my life and that of my family, I command the restoration of all that I have lost as a result of the works of that evil altar in the name of Jesus.

Righteous Father, as this altar has been destroyed, it has no power to work against any member of my family or against my children in the name of Jesus.

Heavenly Father, the Bible says that when a man has been set free, he is free indeed. Therefore, today I am free from the activities of evil altars with seasonal manifestation, and I am free indeed in the name of Jesus.

Thank you, Lord, for answering my prayers, in the name of Jesus.

Power-Packed Declarations against Evil Altars with Seasonal Manifestation

I decree today that everything that God has ordained for me to walk in I must enter into them in the name of Jesus. No longer will any altar with seasonal manifestation ever come against me or against my family members in the name of Jesus. I decree our total liberty and freedom from their activities by the authority in the name of Jesus.

Evil Altars of Stronghold and Addictions

The evil altars of strongholds and addiction work closely with the evil altar of premature death. The aim of this evil altar of strongholds and addiction is to build evil installation in the life of a person or family and allow that same installation to destroy the family in the course of time or the person. I know that we have talked about this in length in the manifestations of evil altars, but I want to do a further explanation of this.

One way to recognise the evil altar of strongholds and addiction is to see how it has been manifesting in the lives of people closely related to you. For instance, the father of the family died as a result of liver cirrhosis due to the excessive intake of alcohol. Maybe uncles also have the same problem, the same evil altar of stronghold and addiction manifested in the lives of nephews and cousins, and in the lives of immediate brothers and sisters. That is an evil altar of stronghold and addiction.

Unless that evil altar is destroyed, complete liberty and freedom may be difficult for the family. Since the problem has not been dealt with from the root of it. That

accounts for the reason why some people quit smoking for a while, only to return back to it again. If the evil altar is manifesting as a result of stronghold and addictions, then no humanistic effort no matter how determined it is can be sufficient to liberate the person.

What is required is the force of prayer for complete liberty and freedom to be obtained from the works of that evil altar manifesting in the form of strongholds and addiction. And that is what we are going to be praying right now.

Reflection

Proverbs 6:5

Deliver thyself as a roe from the hand of the hunter, and as a bird from the hand of the fowler.

Galatians 5:1

Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage.

Psalms 32:7

Thou art my hiding place; thou shalt preserve me from trouble; thou shalt compass me about with songs of deliverance. Selah.

Righteous Father, I uproot every evil altar of stronghold and addiction operating against my life in the name of Jesus.

Holy Father, let your fire consume every evil altar of stronghold and addictions against my life in the name of Jesus.

Heavenly Father, by the power and the authority in your name, I break every evil altar of stronghold and addictions in the name of Jesus.

Glorious Father, every decree, ordinance, words, speaking issued by that altar that has continued to work against my life is cancelled by the blood of Jesus.

My Father, I break the power of this evil altar that has continued to create those cravings in my life for all addictions in the name of Jesus.

Holy Father, every monitoring spirit that has been sent by that altar in order to enhance the addictions in my life let your fire consume the spirit right now in the name of Jesus.

Righteous Father, let your fire of judgment consume every spirit that is ministering at that altar right now in the name of Jesus.

Glorious Father, the Bible says you are a consuming fire, I asked for the release of that fire to destroy every human agent that has been servicing that altar of stronghold and addictions against my life in the name of Jesus.

Righteous Father, let every craving for alcohol, drugs, smoking, and every negative addiction break from my life and destiny in the name of Jesus.

Holy Father, since this evil altar of stronghold and addiction, has been broken off my life and the life of my family, it will no longer manifest again in my life and my entire generation in the name of Jesus.

Righteous Father, I asked by your mercy that you heal me from every infirmity and disease which the altar of stronghold and addiction has caused in my life in the name of Jesus.

Holy Father, all forms of cravings and desire for this negative addiction or stronghold in my life let it be destroyed right now in the name of Jesus.

Righteous Father, every veil that is upon my eyes that has continued to make me do what is evil according to the dictate of that evil altar, I set that veil on fire in the name of Jesus.

Father, I stand today by the authority in the name of Jesus, and I bind all spy spirits that have been giving reports to that evil altar concerning the stronghold and addiction in my life in the name of Jesus.

Power-Packed declaration against the Evil Altar of Stronghold and Addictions

I decree today my liberty and complete freedom from the works of evil altars of strongholds and addiction that has been working against me and against the life of my family in the name of Jesus. We are no longer bound by the dictate of that altar, and we are free, in Jesus name.

The Evil Altars of Afflictions and Diseases

I have extensively dealt with this subject in my book, “ [Prayers That Destroys Infirmary And Diseases: Powerful Prayers That Bring Healing To The Sick](#) ” you can check the book and see. Although I do not talk about altars in that dimension, that book deals with prayers from a different perspective of communion and the blood of Jesus.

The evil altars of afflictions and diseases are created in order to frustrate people with infirmities that render them in a continuous suffering state.

For instance, some of the histories of heart attack that are existing in some families aren't resulting from natural causes but from the activities of evil altars. I know that in certain situations, some diseases and infirmities can be caused by natural causes. But it is not in all situations that diseases result from natural causes.

We thank God for the life of doctors and the wisdom that God has given them to deal with some diseases. However, there are certain sicknesses and diseases that are beyond the capacity of doctors to handle especially where the disease is being sponsored by an evil altar. Have you ever seen a situation where somebody goes for a test in the hospital, and the doctors tell the person that there is nothing wrong with him or her? Yet deep down in the life of that person, he knows that all is not well with his health.

That is what an evil altar of affliction, diseases, and infirmity can do to the life of a person. It must be broken or it will continue to afflict the person. If you have examined your life and seen that an evil altar is manifesting, it is now time to

take up your weapon of warfare and breakdown that altar.

Gladly, that is what we are going to be doing right now.

Reflection

1 John 5:4-5

For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.

5 Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?

2 Corinthians 10:4

(For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)

James 5:16

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

Holy Father, I command every evil altar that is working against me and against my family to be broken into pieces in the name of Jesus.

Glorious Father, let your fire of judgment consume all instruments of that evil altar of disease and affliction in the name of Jesus.

Father, every spirit that is servicing that altar die by fire right now in Jesus name.

Righteous Father, every human agent that is servicing that altar be it a priest or priestess, let them be consumed by your fire in the name of Jesus.

Holy Father, I break the grip of sickness and diseases over my life in the name of Jesus.

Lord Jesus, I terminate all forms of afflictions, sicknesses, infirmities, that have continued to disturb me and my family in the name of Jesus.

Holy Father, I curse that altar of affliction and diseases in the name of Jesus.

Righteous Father, I pray that may your healing virtue flow through me, the members of my family, anyone associated, connected, or related to me who has been afflicted by that altar let us receive total healing right now in the name of Jesus.

Heavenly Father, I bind every spirit of infirmity and affliction that has been sent by that altar to afflict me in the name of Jesus.

Father in the name of Jesus, as a result of the destruction of that evil altar of affliction and diseases in my life, I receive total freedom from infirmity in the name of Jesus.

Righteous Father, you have said in your word that whoever that the Lord has set free, he is free indeed, therefore, I will never fall sick as a result of the activity of that evil altar in the name of Jesus.

Righteous Father, I pray for the restoration of my health because your word said that you will restore unto us all the years that the caterpillar and the worms have eaten.

Heavenly Father, by the authority of your word that says whoever digs a pit, shall fall into it, and whoever throws a stone, that stone shall return back to him. Let this affliction and infirmity return back to the sender in the name of Jesus.

Thank you, father, for hearing and answering my prayers in the name of Jesus. Amen.

Powerful Decrees

I am free, I am free, and I am free. From today henceforth, I will no longer suffer from this evil altar of disease and affliction that has limited my life and destiny in the name of Jesus. I decree my freedom and liberty by fire and I know it's done.

The Evil altars of Limitation

This altar, although of satanic origin is mostly operated by human agents. Many of them are often moved by the spirit of jealousy against the person, and they try to place that person under limitation.

No matter what effort the person makes in life, he will never be able to go above a certain point. For instance, the evil altar can work in the form of, no matter how hard the person works in an organisation, he won't be promoted to the level of the director. Just look at the work of this evil altar. It is not meant to stop the person from getting a job or even working. But to place a limitation against the life of that person. For a person who is operating under the influence of an evil altar of limitation, there are certain stages or heights in life that will be an abomination or a taboo for him to get to.

I know a friend of mine whose brother was expelled from school and he couldn't get a job. He didn't know that an evil altar of limitation was sponsoring all that he was experiencing.

It took a divine revelation for him to know that it was his stepmom that was responsible for placing that evil altar of limitation against him and his brothers. When he began to pray to destroy that evil altar of limitation, he noticed that his stepmom began to behave very strangely because of the impact of that fire-filled prayer.

As the prayers intensified, his brother was able to continue his schooling. He too was able to get a job.

No wonder the Bible says that a man's enemy are the members of his household. The evil altar of limitation is mostly operated by wicked men and women although the devil himself can place a limitation on the life of a person. And when I speak of evil altars of limitation, don't think that it is an African problem alone. There is no African devil. The devil is a devil. Go to America, go to the United Kingdom, go to Costa Rica, go to Germany, go to Australia, go to China, it is the same devil. And his activities are the same – to still, to kill, and to destroy.

We are going to be praying now to destroy the evil altars of limitation.

Reflection

Psalms 107:6

Then they cried unto the Lord in their trouble, and he delivered them out of their distresses.

2 Samuel 22:2

And he said, The Lord is my rock, and my fortress, and my deliverer;

Joel 2:25-27

25 And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you.

26 And ye shall eat in plenty, and be satisfied, and praise the name of the Lord your God, that hath dealt wondrously with you: and my people shall never be ashamed.

Heavenly Father, I break into pieces every evil altar of limitation that is working against my life in the name of Jesus.

Holy Father, let your fire consume every instrument that is being used in that evil altar of limitation against me in the name of Jesus.

Righteous Father, let your fire fall down on every evil altar of limitation installed against my life and destiny in the name of Jesus.

Glorious Father, I curse that evil altar by the authority in the blood of Jesus.

Righteous Father, every spirit that is being constantly released from that evil altar of limitation, I release your fire against them in the name of Jesus.

Father, every human agent be it a priest or a priestess that is working in that altar

and servicing that evil altar of limitation let your fire consume them in the name of Jesus.

Holy Father, I pray that let your judgment come upon every man or woman that has been sponsoring the altar of limitation against my life in the name of Jesus.

Lord, since Jesus could not be limited while he was on earth, no force of evil altars of limitation can limit my life and destiny in the name of Jesus.

Dear Lord, by the authority that is in your word I am rising above every limitation placed against my life in the name of Jesus.

Glorious Father, let the fire from your throne come down and consume every spy spirit that gives regular reports to the kingdom of wickedness concerning the limitation of my life in the name of Jesus.

Holy Lord, every roof of limitation that has been placed against my life and the destiny of my family, let it be consumed by fire right now in the name of Jesus.

Father, I break every barrier of limitation against my life and destiny in the name of Jesus.

Holy Father, that same height that has been made a taboo for me. That same height that has been made an abomination for me, and the members of my family or for anyone who is connected, associated or related to my family line, today I curse that limitation and taboo in the name of Jesus.

Heavenly Father, your word has said that you will restore unto me everything that the enemy has taken from me. I command the restoration of everything that this evil altar of limitation has done to me and my family in the name of Jesus.

Righteous Father, I break the grip of the altar of limitation against my life and family in the name of Jesus.

Powerful Decrees against Evil Altars of Limitation

I shall decree a thing and it shall be established. From this day forward, every stage in life that no one has attained in my family and my lineage, I shall attain it in the name of Jesus. I am rising above every limitation that has been placed against me in Jesus name.

The Evil Altars of Marital Frustration

Another evil altar that can work against the believer's life is the altar of marital frustration. The intendment of this evil altar is not to stop the believer from getting married, but to prevent a believer from enjoying a peaceful marriage. Recently, I attended the wedding of a dear friend. His wife had a sister whose marriage had crashed. A prophet that I know had to tell her that, if your sister's marriage did not work, you have to determine from today that your own marriage must work.

These are the works of evil altars that ensure that people are frustrated in marriage and do not enjoy what God has ordained for their lives. However, glory be to God because the power of prayer is available to destroy all evil altars of marital frustration.

Reflection

Proverbs 19:21

There are many devices in a man's heart; nevertheless the counsel of the Lord, that shall stand.

Ecclesiastes 4:9

Two are better than one; because they have a good reward for their labour.

Genesis 2:24

Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.

Holy Father, I command every evil altar of marital frustration to break into pieces right now in the name of Jesus.

Righteous Father, every priest that is sitting to enforce the covenant of marital

frustration against my life and against the life of my loved ones, may your fire consume that priest right now in the name of Jesus.

Glorious Father, today I cut off every priest or priestess that is serving at that evil altar of marital frustration in the name of Jesus.

Heavenly Father, anywhere that words have been spoken against my marital destiny, I annulled them right now by the blood of Jesus.

Righteous Father, may all the spirits that are coming from that altar to prevent me from enjoying my God-ordained marriage, may your fire consume them right now in Jesus name.

Dear Lord, today I enforce the covenant of the blood of Jesus over my marital destiny. Nothing can be able to stop me from enjoying the best of marriage as you have promised that I would enjoy by Scripture in the name of Jesus.

Heavenly Father, every man or woman that has vowed that I will never enjoy my marital destiny, let your fire come upon them now in the name of Jesus.

Holy Father, the covenant of the blood of Jesus is greater and bigger than any other covenant. May the superior covenant of the blood of Jesus begin to work for my marital destiny from today forward in the name of Jesus.

Holy Father, I pray that your hand of grace will come upon my marital destiny that will make it an example for young couples and all believers in Christ to learn from in the mighty name of Jesus.

Glorious Father, I pray for the renewal of my marital wine in the name of Jesus. Let the sweetness that my marriage has once enjoyed be restored back in Jesus name.

Declaration

I decree today that every evil altar of marital frustration that has been working against my marital life, they stand nullified by the blood of Jesus and that evil altar rendered powerless.

The Evil Altars of Delayed Marital Destiny

Apart from the situation where the believer is not ready for marriage, most cases

of delayed marriage are products of satanic and demonic altars. The goal of this altar is simple – this person will never be married in time.

If you ever experience a pattern of delayed marital destiny in your life or in the life of your family, it is time to break it.

Reflection

1 Kings 18:46

And the hand of the Lord was on Elijah; and he girded up his loins, and ran before Ahab to the entrance of Jezreel.

Romans 9:28

For he will finish the work, and cut it short in righteousness: because a short work will the Lord make upon the earth.

Ezekiel 12:28

Therefore say unto them, Thus saith the Lord God; There shall none of my words be prolonged any more, but the word which I have spoken shall be done, saith the Lord God.

Holy Father, let all evil altars of delayed marital destiny be consumed by your fire now in Jesus name.

Righteous Father, every priest or priestess that is serving at that altar let your fire come upon them right now in Jesus name.

Holy Father, you said in your word that on that day shall the burden be lifted off my shoulder because the yoke shall be destroyed because of the anointing. Therefore, by the anointing of the Holy Spirit, I speak to every evil altar of delayed marital destiny to scatter by fire in the name of Jesus.

Holy Father, every demonic entity or human agent that has continued to attack

my marital destiny and delay it from coming to pass, let them scatter by fire in Jesus name.

Glorious Father, I bind every spirit that is being issued from that altar against my marital destiny in the name of Jesus.

God Almighty, you have said in your word that none shall want his or her mate, I pray that anyone I am connected to for life and destiny locates me right now in the name of Jesus.

Righteous Father, every veil that the evil altar of delayed marital destiny has put on my face, be roasted by your fire in the name of Jesus.

Holy Father, every man or woman that our path is supposed to cross for the fulfilment of our marital destiny, which this evil altar has been resisting, may the siege be broken over my life in the name of Jesus.

Holy Father, today I pray that the covenant that is in the blood of Jesus be activated in my marital destiny in the name of Jesus.

Righteous Father, you have said in your word that he that digs a pit shall fall into it, he that rolls a stone will return back to him, everywhere that the evil altar of delayed marital life is operating against my life, let all altar incantations, operations, speaking return back to them in the name of Jesus.

Righteous Father, I release the judgemental fire of God to consume everyone that is related, associated, or connected with the operation or direction of that evil altar of delayed marital destiny against my life in the name of Jesus.

Powerful Declaration against Delayed Marital Expectation

I decree and declare that I will no longer experience any marital delay in my life and in the life of my loved ones. Since there is a time for everything, I decree today that the time has come for me and my loved ones to be married in the name of Jesus.

The Evil Altar of Backwardness

You see this very altar, it is difficult to unravel its operation unless the Holy

Spirit gives you a revelation that this evil altar of backwardness is at work in your life. And so many believers are under the siege of this type of altar without their realisation. You cannot break what you don't know.

It is only when the Lord has opened your eyes to that evil altar that you can take steps to destroy it.

The evil altar of backwardness is organised by the devil to take you backward from where you are. This is contrary to what the Scripture says because the path of the just is like the bright shiny light, that shines brighter and brighter unto the perfect day. You are not supposed to have a better yesterday in your finances, you are not supposed to have a better yesterday in your health, you are not supposed to have a better yesterday in your marital life, you are not supposed to have a better yesterday in your grades and studies in school, you aren't supposed to have a better yesterday in your job. For the life of a believer, everything is supposed to be going up and up. This is in line with scriptural truth that says that the path of the just keeps shining bright and brighter.

So if you begin to see that your yesterday is better than your today. It is time to check carefully whether the evil altar of backwardness is at work in your life.

One of the easiest ways to identify this altar is by the kind of dreams and revelations you often have. Maybe you keep seeing yourself in your dreams as unmarried when you are already married. Or you keep seeing yourself in high school when you are already doing your master's degrees or you have finished college degree a long time but keep seeing yourself in your high school. Or you keep seeing yourself writing an exam when you have already passed it long ago.

These are indications of the evil altar of backwardness. And unless it is broken, you will gradually begin to see yourself going backward in every area of your life. That will not be your portion in Jesus name, amen.

The prayers contained here are meant to be prayed brutally in order to break the altar of backwardness.

Reflection

Job 17:9

The righteous also shall hold on his way, and he that

hath clean hands shall be stronger and stronger.

Proverbs 4:18

*But the path of the just is as the shining light, that
shineth more and more unto the perfect day.*

Philippians 3:14

*I press toward the mark for the prize of the high calling
of God in Christ Jesus.*

Holy Father, let your judgemental fire burn down every evil altar of backwardness against my life in the name of Jesus.

Holy Father, I restrain every spirit operating from that altar against my life and destiny in Jesus name.

Glorious Father, every priest or priestess serving at that evil altar of backwardness, let them be cut off in the name of Jesus.

Righteous Father, every tool that this evil altar of backwardness has been using to show me that I will go backward instead of forward, contrary to your word, I curse those tools to stop operating by the blood of Jesus.

Dear Lord, I activate the power of the word of God over my life and destiny that says the path of the just is as a bright shining light, that shines brighter unto the perfect day. From today henceforth, I will continue to move forward and not backward in the name of Jesus.

Holy Father, today I restrain all the activities of that evil altar against my life in the name of Jesus.

Heavenly Father, the Bible says the blood of Jesus speaks better things than the blood of Abel, I pray that the blood of Jesus will speak forward movement for me where this altar has been speaking backward movement for me in the name of Jesus.

Righteous Father, no more will any retrogression be experienced in my life in the name of Jesus.

Lord Jesus, let your fire consumed every spirit that has been sent from that evil altar of backwardness against my life and destiny in the name of Jesus.

Heavenly Father, as this evil altar of backwardness, has been destroyed from my life, I pray that I will continue to move forward in my life and destiny until I get to where you have ordained for me in the name of Jesus.

Gracious Father, I pray for divine speed for me to be able to recover all the backward steps I have taken in life as a result of the activities of the evil altar of backwardness in the name of Jesus.

The Evil Altar of Troubled Kids

The Bible says something practical concerning children, that they are heritage from the Lord. And blessed is the man that has them full in his quiver.

What the devil tries to do is to raise altars against your children that will be giving you sorrow all the time. And it is not the will of God for you to bring children that will become the source of your trouble on earth.

I need to put a balance on this. Except where parents have made all the effort that God requires in raising godly kids, that bad behaviour of children may not be indicative of an evil altar. However, when you have done what is required of you, yet the children continue to do evil, getting into trouble with the law and other aspects of life, that is when you should know that an evil altar is at work against your children.

In this situation, your effort in raising your children in the ways of the Lord is being constantly attacked by the evil altar. So you need to break that altar so that your children do not become wayward.

Reflection

Psalms 127:3

Lo, children are an heritage of the Lord: and the fruit of the womb is his reward.

Proverbs 17:6

Children's children are the crown of old men; and the glory of children are their fathers.

Proverbs 22:15

Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him.

Holy Father, I command the breaking of every altar that is at work against the life of my children in the name of Jesus.

Righteous Father, every priest or priestess that services this altar against my children let your fire consumed them in Jesus name.

Holy Father, every spirit of rebellion that this evil altar has released against my children, let that spirit be consumed by your fire in Jesus name.

Righteous Father, every speaking of darkness against the life of my children is cancelled by the blood of Jesus.

Holy Father, your word has said that every tree that my father has not planted shall be uprooted. Since you didn't plant the spirit of rebellion in the life of my children, let every attitude of rebellion be uprooted by your fire in the name of Jesus.

Lord, you said in your word, that children are the heritage of GOD. I activate that word in the life of all of my children in the name of Jesus.

Glorious Father, I speak to every child that has come forth from my loins or from my womb or any child that will come forth from my loins or my womb, that they will be controlled by the law of the spirit of life in Christ Jesus not any evil altar in the name of Jesus.

Declaration of Victory

By the authority that is in the name of Jesus, I decree that none of my children will become the source of any sorrow for my life in the name of Jesus. Rather,

all my children will become the source of joy and happiness for my life and destiny in Jesus name.

CHAPTER 7

Bonus Prayers

So I have some bonus prayers that you should pray in order to frustrate all evil altars and the agenda of the evil one that might have been planted against your life.

So come with me let us pray some more.

The Evil Altar of Manipulation

The tendencies to control and manipulate others is more often seen from the lenses of witchcraft manipulation than an evil altar. And people involved in this are often into one form of witchcraft or the other.

However, there are times that the devil will set up evil altars of manipulation against the life of a believer so that the life of that child of God or the life of his family may be remote-controlled from that altar. It is only what the altar wants that the person will be doing. That is the power of the evil altar of manipulation. Often, when you see people regretting their actions and always doing the same thing over and over, it may be that an altar is at work. This accounts for the reason why you hear people say, I don't know what came over me. I just can't stop.

Prayer effort must be made to nullify the evil altars of manipulation.

Reflection

Lamentation 3: 36

To subvert a man in his cause, the Lord approveth not.

Heavenly Father, I command the total destruction of every evil altar of manipulation that is working against me right now in the mighty name of Jesus.

Glorious Father, every priest or priestess that services that altar of manipulation

against my life and destiny, be consumed by fire in Jesus name.

Father, I break the grip of the spirit of manipulation that the evil altar of manipulation releases upon my life and destiny in the mighty name of Jesus.

Holy Father, today I destroy the control of my will and sense of judgment that this evil altar often seizes in the name of Jesus.

Gracious Father, I cancel every speaking, incantation of that evil altar by the power in the blood of Jesus.

Lord Jesus, today marks my complete and total freedom from the works of the evil altar of manipulation by the authority in the name of Jesus.

Righteous Father, you have said that there is no enchantment against my life that can ever work. I cancel and nullify every enchantment from that evil altar of manipulation in the mighty name of Jesus.

Prayers against the Evil Altar of Balaam

The altar of Balaam is any evil altar that has been raised to place curses on you. Ordinarily, curses don't work in the life of a believer just like that. There must be a legal ground before a curse can work. For instance, if a believer committed adultery with the wife of another person, and the husband decided to curse him, the curse will work because there is a legal ground for that curse to gain expression in the life of that child of God.

These curses can be released against the life of a believer and will wait for an opportunity to manifest.

Numbers 23:1-2

*And Balaam said unto Balak, Build me here seven altars, and prepare me here seven oxen and seven rams.
2 And Balak did as Balaam had spoken; and Balak and Balaam offered on every altar a bullock and a ram.*

In the scripture under reference, we saw how Balaam did all that he could to curse the children of Israel, but the curse didn't find any manifestation in the lives of the people of God. For as long as they lived holy, the curse couldn't work. It was until when they decided to violate God's law and went against his

divine guidance for Holy living that was when they suffered terribly.

Revelation 2:14

But I have a few things against thee, because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.

One way to handle this type of curses that evil altars direct against your life is to live in total submission to the will of God and do whatever that the Holy Ghost says.

We are going to be dealing with the ways by which evil altars of Balaam can be destroyed, that is through the power of prayer.

Reflection

Genesis 12:3

And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

Galatians 3:13

Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

Holy Father, every evil altar of Balaam raised against my life, let your fire consume that altar right now in Jesus name.

Father, I bind every priest or priestess that is ministering at that evil altar today in the name of Jesus.

Righteous Father, every human agent that is helping in the activation of the evil altar of Balaam may your fire burn them now in Jesus name.

Lord Jesus, all the instruments and tools that the evil altar of Balaam has been using against my life, let fire burn those tools in the mighty name of Jesus.

Glorious Father, every curse that is being released by the evil altar of Balaam against my life, I return it back to the sender now in the name of Jesus.

Holy Father, every wicked decree that this evil altar of Balaam speaks against my life every day, I cancel it by the blood of Jesus.

Gracious Father, today I pray that the fullness of your blessings will rest on me in the mighty name of Jesus.

Father, thank you for answering because I am blessed and not cursed in the name of Jesus.

CHAPTER 8

We have prayed and destroyed a lot of evil altars that have been troubling and bothering your life. Praise God.

My goal is not just to list prayer points for you to pray but to turn you into a prayer warrior that can dismantle any evil altar at any time. If you perceived that an evil altar is at work that our prayers haven't covered, well, it is that simple. I will teach you how to pray and break that evil altar as well.

How to Break Any Other Evil Altar

1. Break the evil altar
2. Destroy the priest or the priestess ministering at the altar.
3. Bind all the spirits that the evil altar releases against your life.
4. Cancel all evil pronouncements or evil incantations by that altar against your life.
5. Activate the covenant of the blood of Jesus.
6. Thank God for answered prayers.

Set it Right

If you are reading this book and you are not saved, pray this prayer after me:

Lord Jesus, I come before you today. I give you my heart. I give you my all. Come into my life. Become my Lord and saviour. Deliver me from the power of sin. Help me to live for you forever, in Jesus name.

Special Offer for You

I have a dedicated email list of subscribers who are the first to get notification of free E-books, New Releases, and weekly newsletter. From time to time, I give a lot of free e-books to my list and my priority is my email list.

To get all these special offers, click on the Access button below

Don't worry, we won't spam you. We will send you Holy Ghost inspired content once every week.

Before you go, kindly take a minute to write a review of how this book has been a blessing to you. Your review will help me get this book out to other people.

God bless you.
